Elena Romero-Merino,2020-01-23

The financial issues of nonprofit organizations NPOs have increased their importance in recent years especially after the last global economic downturn In this way NPOs have been threatened by a reduction of income while their work and expenses have not decreased In this book the editors bring together several topics that the academic literature has previously addressed connecting them to each other and evaluating how all these issues are interrelated Financing Nonprofit Organizations analyses the state of art of all these financial topics and the consequences of the last economic crisis It dives into the interrelations of these concepts to suggest lines of future research and to reflect on the future of the different sources of funding of the NPOs It will be of interest to students practitioners and researchers interested in initiating and updating their knowledge in the growing field of the financial aspects of the NPOs **The Fate of Social Modernity** Ingo Bode,2024-05-02 This is an open access title available under the terms of a CC BY NC ND 4 0 License It is free to read download and share on Elgaronline com This thoroughly original book provides a comprehensive overview of the development of welfare arrangements and their wider context in Western Europe Using the concept of social modernity Ingo Bode investigates current challenges to these arrangements and examines prospects for progressive welfare reform

Co-production Victor Pestoff,Taco Brandsen,2013-09-13 Public management research has in recent years paid increasing attention to the third sector especially to its role in the provision of public services Evidence of this is the rising number of publications on the topic as well as a growing number of sessions and papers on the topic in academic conferences of the EGPA and IRSPM However much of the discussion on its role is motivated at least as much by ideology as by fact We still lack a proper empirical understanding of what happens when the third sector is drawn into public service provision In this thematic presentation of Co Production The Third Sector and the Delivery of Public Services we will try to enhance this understanding by presenting several new studies on the subject We also introduce the concepts of co production co management and co governance as a conceptual framework that enables us to better understand such developments

International Encyclopedia of Civil Society Helmut K. Anheier,Stefan Toepler,2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and

nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic appraisal of a rapidly growing field **Third Sector Research** Rupert Taylor,2010-03-02 To mark the 20th Anniversary of Voluntas International Journal of Voluntary and Nonprofit Organizations the editor has compiled a comprehensive overview of contemporary debates in third sector scholarship comprised of all original research by leaders in the field The volume will offer a critical review of the central and innovative themes that have come to form the core of third sector debate and research with an international focus The first global compendium of third sector research this volume provides a international multi disciplinary and state of the art overview of the field The contributions not only examine and review the existing scholarship but introduce new perspectives and thinking on the third sector especially in terms of future implications around the world Topics covered include History and Development of the Field New Trends in Volunteering and Philanthropy Volunteering and Participation in Developing Countries Leadership and Governance Corporate Responsibility Social Capital Global Civil Society This seminal volume provides a broad and comprehensive look at the field of Third Sector Research of primary interest to researchers in political science sociology development studies and nonprofit leadership programs *Handbook of Research on Managerial Solutions in Non-Profit Organizations* Potocan, Vojko,Ün?an, Mustafa C.,Nedelko, Zlatko,2016-08-23 Non profit Organizations NPOs are the fastest growing organizations in modern society They exist in a liminal realm between public and private organizations and because of this new jurisdictions are created for NPOs The existence of NPOs is contingent upon their adequacy and management is a key determining factor as to whether an organization survives The Handbook of Research on Managerial Solutions in Non Profit Organizations provides relevant theoretical frameworks and the latest empirical research findings related to the successful management of nonprofits Providing insights into the best practices and valuable comparisons between strategies in different contexts this book gives invaluable support for nonprofit managers policy makers students and researchers Innovation in Strategic Philanthropy Helmut K. Anheier,Adele Simmons,David Winder,2007-08-29 This book is the result of case studies conducted as part of the International Network on Strategic Philanthropy which focus on the role of philanthropy in the globalization process and in lesser developed economies Throughout they emphasize the lessons in innovation that can be taken from them and together demonstrate that emerging philanthropic institutions can develop their own methods and offer criteria that the Western world might learn from Globalization, Philanthropy, and Civil Society Soma Hewa,Darwin Stapleton,2005-09-13 Examines complex and diverse links between philanthropy civil society and globalization as a single theme that goes beyond standard economic interpretations Has the potential to generate interest among a wider audience of academics public policy makers and administrators in the field of philanthropy civil society and globalization
