Soultsunami Leonard Sweet, 2009-10-14 Road rage animal rights cyberporn crystal healing doctor assisted suicide everywhere we look the signs all tell us we're living in a post Christian culture Or are we Leonard Sweet cultural historian preacher futurist creatologist and preeminent thinker firmly believes we live today in a pre Christian society fraught with challenges dangers critical choices and above all tremendous potential for the church The outcome will depend on our response to today's flood of religious pluralism that threatens to sweep us away What will we do Deny the reality of the incoming surge Hunker in the bunker hermetically sealing ourselves in an increasingly out of touch church counterculture Or will we boldly hoist our sails and looking to God for guidance and strength move with confidence and purpose over the waves SoulTsunami is a fascinating even mind numbing look at the implications of our changing world for the church in the 21st century With uncanny wisdom and trademark wit Leonard Sweet explores ten key futuribles precision guesses that fall short of predictions expanding on and relating topics ranging from the reentry of theism and spiritual longing in contemporary society to the impact of modern technology to the global renaissance to models for the church to reach people caught in the cultural maelstrom Here are eye opening perspectives on the church from within and from without from its surrounding society Lively well written and provocative SoulTsunami is a clarion call for Christians to remove their tunnel vision glasses and take a good look at the swelling postmodern flood It also is a voice of encouragement affirming the church in its role as God's lifeboat And it is a passionate prophetic guide pointing the way to reach a world swept out to sea

Religion, Religionlessness and Contemporary Western Culture Stephen Plant, Ralf K. Wüstenberg, 2008 This first volume of the new series International Bonhoeffer Interpretations IBI contains several impulses for translating Bonhoeffer's key ideas on Religion Religionlessness and the Church into current contexts These impulses vary from prospects for a Christian university looking at Bonhoeffer's distinction between the ultimate and the penultimate things to an ethical understanding of Bonhoeffer's as if theology in the light of Luther's distinction between law and gospel from a fresh perspective on Bonhoeffer's religionless Christianity in the light of his thought on oikumene to a Christological re interpretation of repentance as the contribution of religionless Christianity to the task of the Church in the United States of America The impulses are framed by programmatic contributions suggesting a framework for reading Bonhoeffer in the 21st

century in his hermeneutic exploration of Bonhoeffer's theology and the crises of Western culture and analyzing religionless Christianity in a complexly religious and secular world **Evangelism** Althea Marchelle Brown, 2009-06 DR ALTHEA MARCHELLE BROWN serves as an ordained itinerant elder in the Fourth Episcopal District and served in that position in the Sixth Episcopal District of the AME Church She earned her Master of Divinity from Turner Theological Seminary at the Interdenominational Theological Center in Atlanta Georgia and a Doctor of Ministry from the Ecumenical Theological Seminary in Detroit Michigan Her other two books published by AuthorHouse are Holy Spirit Fruit and Gift Seminar and Praise and Worship Heaven's Street Address These guidebooks and study aides are practical and authoritative resources for church leaders and practitioners in ministry Soul Survivors Carlyle Fielding Stewart, 1997-01-01 This perceptive study of African American spirituality sees the experience of the African American church as an example for all other peoples in their struggles for liberation from the world's shackles **The Promise of Trinitarian Theology** Colin E. Gunton, 2003-10-06 A reissue of a brilliant and accessible introduction to Trinitarian thought Colin Gunton argues that the theology of the Trinity has profound implications for all dimensions of human life Central to his work is his argument that the doctrine should offer ways of articulating the being of God and of the world so that we may be better able to live before God and with each other Theology and Sanity Frank Sheed, 2011-04-08 Vatican II issued an urgent call for the laity to take a more active role in the life of the Church What should the life of the Christian believer be like How are average lay Christians called to help save the world How does theology fit into the picture One of Frank Sheed's most popular books this ideal volume for the layman shows the practical aspects of theology in the life of a Christian believer Logic clarity and simplicity permeate this eminently readable book Drawing from his fifty years of street corner preaching as well as his long career as an author lecturer and publisher Sheed understands and communicates better than anyone the importance of theology and its relationship to living sanely in today's world A brilliant synthesis of the Catholic view of life *Strange Religion* Nijay K. Gupta, 2024-02-27 A fresh and rigorously researched take on Christianity's founding Publishers Weekly The first Christians were weird Just how weird is often lost on today's believers Within Roman society the earliest Christians stood out for the oddness of their beliefs and practices They believed unusual things worshiped God in strange ways and lived a unique lifestyle They practiced a whole new way of thinking about and doing religion that would have been seen as bizarre and dangerous when compared to Roman religion and most other religions of the ancient world Award winning author blogger speaker and New Testament teacher Nijay Gupta traces the emerging Christian faith in its Roman context in this accessible and engaging book Christianity would have been seen as radical in the Roman world but some found this new religion attractive and compelling The first Christians dared to be different pushed the boundaries of what was acceptable transformed how people thought about religion and started a movement that grew like wildfire Brought to life with numerous images this book shows how the example of the earliest Christians can offer today's believers encouragement and hope *Theology and Sanity* Francis J.

Sheed,1993 Presents a comprehensive study that examines how the layman can take a more active role in the church by understanding the basic aspects of theology and its importance in today s world
