Street Wars:

Street Wars Tom Hayden, 2005-12-01 An impassioned survey of gang activity and youth violence in Los Angeles Chicago and New York offers insight into gang culture and the high number of deaths that have occurred as a result of gang activity throughout the past twenty five years in an account that criticizes current policies that serve to victimize inner city youths Reprint

Wall Street's War on Workers Les Leopold, 2024-02-22 2024 Foreword INDIES Book of the Year Awards Finalist for Political and Social Sciences This book gave me a new lens to see the world Robert Krulwich former co host of WNYC's Radiolab Addressing the pressing issues affecting everyday Americans during an election year is essential and one of our nation's most profound challenges is the devastating impact of mass layoffs Layoffs upend people's lives cause enormous stress and lead to debilitating personal debt The societal harm caused by mass layoffs has been known for decades Yet we do little to stop them Why Why do we allow whole communities to be destroyed by corporate decision makers Why do we consider mass layoffs a natural baked in feature of modern financialized capitalism And what are our elected officials going to do about it In *Wall Street's War on Workers* Les Leopold co founder of the Labor Institute provides a clear lens with which we can see how healthy corporations in the United States have used mass layoffs and stock buybacks to enrich shareholders at the expense of employees With detailed research and concise language Leopold explains why mass layoffs occur and how our current laws and regulations allow companies to turn these layoffs into short term financial gains Original and insightful *Wall Street's War on Workers* places US labor practices in the broader context of our social and political life examining the impact financial strip mining and legalized looting are having on party politics destroying the integrity of democratic institutions Leopold expertly lays out how the proliferation of opioids coupled with Wall Street's destruction of jobs in West Virginia Pennsylvania Michigan and Wisconsin have led to widespread mass layoff fatalism Democrats have unarguably lost the longstanding support of millions of urban and rural workers and Leopold points out how party leaders have been wrong about the assumption that the white working class is becoming less progressive and motivated to abandon the Democratic Party by reactionary positions on divisive social issues With deep analyses stark examples and surprisingly simple proactive steps forward Leopold also asserts that Surviving and thriving in a competitive global economy does not require mass layoffs A new virulent financialized version of American capitalism is policy driven To end mass layoffs Wall Street's domination of our economy must end The accepted wisdom about white working class populism is wrong Ending stock buybacks and changing corporate officers pay structures could eliminate mass layoffs Mass layoffs are not the result of inevitable economic laws or new technologies like artificial intelligence Both groundbreaking and urgent *Wall Street's War on Workers* not only offers solutions that could halt mass layoffs but also offers new hope for workers everywhere Leopold offers a contrarian yet compelling take on America's white working class and says Democrats in 2024 ignore this massive potentially sympathetic voting bloc at their peril Booklist starred review *Wall Street's War on Workers* the book neither party wants you to read It

penetrates one of the chief media deceptions of the 21st century namely that working class voters are driven by racism and xenophobia and not by a more simple enraging motive they've been repeatedly ripped off by the wealthy donors to both parties Matt Taibbi

Gang Politics Kristian Williams, 2022-06-28 In three taut essays Kristian Williams examines our society's understanding of social and political violence what gets romanticized misunderstood or muddled He explores the complex intersections between gangs of all sorts cops and criminals Proud Boys and antifa Panthers and skinheads arguing that government and criminality are intimately related often sharing critical features As society becomes more polarized and the conviction that things are only going to get worse and more violent grows William's analysis is a crucial corrective to our simple unquestioned ideas about the role violence might or should play in our social struggles [A World of Gangs](#) John Hagedorn, 2008 On the street with gangs in three world cities Chicago Rio de Janeiro and Capetown Hagedorn discovers that many of them have institutionalized as a strategy to confront a hopeless cycle of poverty racism and oppression The nihilistic appeal of gangsta rap and its ethic of survival by any means necessary he argues provides vital insights into the ideology and persistence of gangs around the world Proposing how gangs can be encouraged to overcome their violent tendencies Hagedorn appeals to community leaders to use the urgency outrage and resistance common to both gang life and hip hop to bring gangs into broader movements for social justice

BOOK JACKET

long ago era and the market action animates the tale of a life well lived but cut tragically short This book belongs on the bookshelf of anyone interested in the stock market or anyone seeking an understanding of human nature and how success can hide personal problems until it s too late MICHAEL J CARR Senior Editor Banyan Hill Publishing Although Richard Schabacker s life was short lived he was a giant in the field of technical analysis contributing so much to the subject and has left all of us so enriched as a result His passion and devotion is captured in this very revealing book His concepts are indelible market psychology stages of price business cycles sentiment and the combination of value investing with technical timing they have empowered us RALPH J ACAMPORA Director of Technical Research for Altaira Ltd **American Wars** Ballard C. Campbell,2012 Focuses on one overarching controversy underlying each war in which Americans have fought enabling students to understand the fundamental forces and disputes that have shaped these conflicts and their impact on the nation Powder Wars Graham Johnson,2011-03-04 An astonishing story Sunday Mirror The best gangster book of modern times Donal MacIntyre Gangster Paul Grimes was a one man crimewave with a breathtaking capacity to steal Any villains who got in his way were made to pay often with their blood But when his son died of a drugs overdose the old school mobster swore revenge on the new generation of Liverpool based heroin and cocaine dealers Against all odds he turned undercover informant The first gangster to fall foul of Grimes change of heart was Curtis Warren aka Cocky the wealthiest and most successful criminal in British history Grimes infiltrated his cocaine cartel and led Customs to the largest narcotics seizure on record putting Warren in the dock in the drugs trial of the twentieth century After turning his attention to heroin baron John Haase Grimes rose to become the boss of the villain s notoriously bloodthirsty security firm a professional gang of racketeers addicted to cocaine explosive violence and non stop criminality But as his net began to tighten Grimes was confronted with the ultimate dilemma He discovered his second son was now a rising star in the drugs business The life or death question was should he shoot him or not Powder Wars also reveals the secrets behind one of the most controversial episodes in British judicial history how former Home Secretary Michael Howard was duped into granting John Haase a Royal Pardon Today Paul Grimes has a 100 000 contract on his head and is a real life dead man walking Powder Wars is a riveting account of modern gangsters told in brutal detail **War by Other Means** Carlota McAllister,Diane M. Nelson,2013-10-14 In this collection of essays leading scholars based throughout the Americas examine postwar Guatemalan society from varied perspectives including those of ethnography history geography politics and economics Demeaned But Empowered Obika Gray,2004 Gray s central thesis asserts that the Jamaican state is a form of predatory state that incorporates contradictory social forces into an arrangement that is hierarchical often brutal and ultimately debilitating to democracy He introduces a series of constructs to support this argument but the more interesting and novel theses are to be found in his vivid description of the social forces that resist the predatory state and how they have carved out a modicum of autonomy based on what he describes as an elaborate value system of badness honour How to Win an Information War Peter

Pomerantsev, 2024-03-05 From one of our leading experts on disinformation this inventive biography of the rogue WWII propagandist Sefton Delmer confronts hard questions about the nature of information war what if you can't fight lies with truth Can a propaganda war ever be won In the summer of 1941 Hitler ruled Europe from the Atlantic to the Black Sea Britain was struggling to combat his powerful propaganda machine crowing victory and smearing his enemies as liars and manipulators over his frequent radio speeches blasted out on loudspeakers and into homes British claims that Hitler was dangerous had little impact against this wave of disinformation Except for the broadcasts of someone called Der Chef a German who questioned Nazi doctrine He had access to high ranking German military secrets and spoke of internal rebellion His listeners included German soldiers and citizens as well as politicians in Washington DC who were debating getting into the war And most importantly Der Chef was a fiction He was a character created by the British propagandist Thomas Sefton Delmer a unique weapon in the war Then as author Peter Pomerantsev seeks to tell Delmer's story he is called into a wartime propaganda effort of his own the US response to the invasion of Ukraine In flashes forward to the present day Pomerantsev weaves in what he's learning from Delmer as he seeks to fight against Vladimir Putin's tyranny and lies This book is the story of Delmer and his modern investigator as they each embark on their own quest to manipulate the passions of supporters and enemies and to turn the tide of an information war an extraordinary history that is informing the present before our eyes
