Street Scene:

Street Scene Elmer Rice, 1929 The action of this ambitious groundbreaking play takes place entirely on the front stoop of a New York City brownstone and in the adjacent street in the early part of the 20th century It studies the daily and complex lives of the people living in the building and surrounding neighborhood and their sad often tragic interactions The main characters are Anna Maurrant dealing with issues of infidelity Rose Maurrant her daughter who struggles with the demands of her job and boss and her attraction to a Jewish neighbor Sam Kaplan Frank Maurrant the domineering and sometimes abusive husband and father of Anna and Rose Sam a caring and concerned neighbor in love with Rose and many other neighbors and passersby Wikipedia com *Weill's Musical Theater* Stephen Hinton, 2012-04-10 In the first musicological study of Kurt Weill's complete stage works Stephen Hinton charts the full range of theatrical achievements by one of twentieth century musical theater's key figures Hinton shows how Weill's experiments with a range of genres from one act operas and plays with music to Broadway musicals and film opera became an indispensable part of the reforms he promoted during his brief but intense career Confronting the divisive notion of two Weills one European the other American Hinton adopts a broad and inclusive perspective establishing criteria that allow aspects of continuity to emerge particularly in matters of dramaturgy Tracing his extraordinary journey as a composer the book shows how Weill's artistic ambitions led to his working with a remarkably heterogeneous collection of authors such as Georg Kaiser Bertolt Brecht Moss Hart Alan Jay Lerner and Maxwell Anderson *Tudor Times* Mary Green, 2003-09-15 *British Film Catalogue* Denis Gifford, 2016-04-01 First published in 2001 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars
