Street Smarts Poems:

Street Smarts Devorah Major,1996 In street smarts devorah major explores the hardships of life on the streets the damage that is done there and strategies for survival Hers is a powerful affirmative voice that is joyful and proud *Street Smarts* Kathryn Dillard,2018-04-05 A stunning collection of poems that chronicles the adventures of an aspiring writer as she struggles to embrace her creative talents and spiritual aspirations relinquishing her role as a pink collar public servant Sweeping narrative poems are interwoven with smaller gems highlighting her interactions with the animal kingdom Allusions to a wide array of cosmologies revelations of immortality and humanity and a sensual lucid voice make this collection accessible to everyone **Street Smarts and Critical Theory** Thomas McLaughlin,1996-11-15 Like academic theorists who are trained in a tradition of philosophical and political skepticism that challenges all orthodoxies the vernacular theorists McLaughlin identifies display a lively and healthy alertness to contradiction and propaganda They are not passive victims of ideology but active questioners of the belief systems that have power over their lives Their theoretical work arises from the circumstances they confront on the job in the family in popular culture And their questioning of established institutions McLaughlin contends is essential and healthy for it clarifies the purpose and strategies of institutions and justifies the existence of cultural practices **From Street Smart to School Smart** David P. Sortino,2021-07-11 This story about 17 year old Jewels Odom and 13 other ex teen prostitutes gives Jewels and her 13 sisters a pulpit to speak to other lost girls looking for an escape from what they call the streets of hell What separates Jewels from her street sisters is her ability to survive and succeed actually going to college to return as a teacher at juvie This story ends with a mixture of successes and failures but as always Jewels is the one who has the final say when she tries to connect with Maya Angelou the famous poet to be the graduation speaker *Selected Poems* Vladimir Mayakovsky,2013-06-30 James McGavran s new translation of Vladimir Mayakovsky s poetry is the first to fully capture the Futurist and Soviet agitprop artist s voice Because of his work as a propagandist for the Soviet regime and because of his posthumous enshrinement by Stalin as the best and most talented poet of our Soviet epoch Mayakovsky has most often been interpreted and translated within a political context McGavran s translations reveal a more nuanced poet who possessed a passion for word creation and linguistic manipulation Mayakovsky s bombastic metaphors and formal lan shine through in these translations and McGavran s commentary provides vital information on Mayakovsky illuminating the poet s many references to the Russian literary canon his contemporaries in art and culture and Soviet figures and policies **Poetry Beyond Tomorrow** Felisha Bradley,2010-03 Poetry Beyond Tomorrow is a poetry book about life and the way that I perceive it In this book I discuss how profound it is to have faith and to push forward even though that may not be so easy to do I share my wants and to a certain extent my fears I preach what I believe There s a message for the younger generation and the black community We have to really come together as one in order to make the change that generations to come will see It s all in this book **Bullies Be Gone! Project™: Poetry Book Al**

TIMES OF EXPRESSION & POETRY Mark T. Browning, 2013-02-28 We all go through life having experienced different challenges and situations Whether we are rich or poor we have seen some things that are great in life and we have also seen some things that are horrible in life The experiences and challenges that we have personally overcome as individuals somehow shape us The writer uses life experiences and poetry to illustrate the feeling of captured time Time captured in memory never leaves us to faded pictures or broken glass like a picture in a frame But time captured in memory gives us feelings emotions that fill us with joy anger sorrow and sometimes bitterness Mark T Browning writes his version of captured time in the form of a nine chapter colloquy that travels over four decades of life with friends family members music celebrity personalities poetry fashion and the moments that seem to make time stand still You will enjoy the descriptions of life experiences of a young boy growing up in the Ft Greene Projects located in Brooklyn New York only to leave the projects to experience another side of life as a man A life filled with experiences that lead to controversial statements ranging from war PTSD racism raising a family drugs and gun policy
