Lamb, 2017-04-27 Grandparents raising their grandchildren are a new demographic emerging at a staggering rate because the parents are either unwilling or incapable of raising their own children The rationale for this work is derived from the challenges this author and his wife have because of parenting their grandchildren The research for this project has the value to offer support wisdom hope and perspective for those who are parenting again as grandparents Opportunities abound to lead grandchildren in a direction where they never would have gone had grandparents resisted the selfless act of parenting again This project will be approached using surveys with specific questions from other grandparents who are raising their grandchildren The survey will assist in assembling the reasons behind this new and emerging trend of parenting The resources gathered from this project will help grandparents embrace their new role in life

Majoring in the Minors Richard A. Gallo, 2021-07-05 If you or someone you know has never experienced racism bigotry injustice abuse or domestic violence then this book is not for you But if you or someone you know has been such a victim and suffered from such societal evils then perhaps you are not reading these words by chance Perhaps God has brought you to this moment to make a difference for deep down in your heart you know that this is fundamentally wrong And just maybe God through his Spirit has brought you to this very moment to say Enough is enough and start doing something to begin eliminating racism bigotry injustice abuse and domestic violence Rev Gallo lays out a twelve step process that he has termed A Blueprint of Hope from a Christian Perspective Utilizing twelve messages or themes of hope one from each of the minor prophets as well as the teachings of Jesus he formulates a plan This plan incorporates both small group ministry within the local church and neighborhood outreach to the surrounding community where these societal evils rear their ugly heads and have devastated individuals for generations These twelve messages as well as a unique perspective and insights that he has gained over forty two years of police work and active ministry he formulates a blueprint of hope that encourages individuals to catch a vision of what might be if people begin to look at each other through eyes of love and hope rather than hate and despair **The United States of Georgia** S. Renee Greene, 2008-12-10 The state of Georgia is disconnected from the rest

of the nation and leads the Deep South in staying disconnected Will it ever catch up and keep up with the rest of the United States of America
