Stress And Coping In Laterlife Families:

Stress And Coping In Later-Life Families Mary A. Stephens, Janis H. Crowther, Stevan E. Hobfoll, Daniel L. Tennenbaum, 2018-10-24 A product of the Kent Psychology Forum 1989 the book focuses on how older adults and their families cope with the vicissitudes of later life

Stress and Coping in Later-life Families Mary Ann Parris Stephens, 1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company

Anti and Pro-social Communication Terry A. Kinney, Maili Pörhölä, 2009 This is an interdisciplinary resource guide for scholars researchers graduate students and advanced undergraduates who study aspects of communication and relationships It brings together essays by an array of scholars currently working in the areas of anti and pro social communication to examine the theories methodologies and applied issues that define communication research broadly Each chapter focuses on a different aspect of communication examining how and why it affects our perceptions relationships health and social behavior

Family Relationships in Later Life Timothy H. Brubaker, 1990 Directed towards researchers and practitioners in family studies and gerontology this completely revised Second Edition of Family Relationships in Later Life provides an innovative new collection of research based descriptions on family relations of older people Each chapter summarizes existing literature on the topic and provides up to date original research Topics addressed include sibling relationships in later life widowhood ethnic differences elder abuse and mistreatment family care and health problems

Handbook of Marriage and the Family Gary W. Peterson, Kevin R. Bush, 2012-09-14 The third edition of Handbook of Marriage and the Family describes analyzes synthesizes and critiques the current research and theory about family relationships family structural variations and the role of families in society This updated Handbook provides the most comprehensive state of the art assessment of the existing knowledge of family life with particular attention to variations due to gender socioeconomic race ethnic cultural and life style diversity The Handbook also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society In addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the Handbook a multidisciplinary and interdisciplinary framework

Family Relationships in Later Life Dr. Timothy H. Brubaker, 1990-01-01 Directed towards researchers and practitioners in family studies and gerontology this completely revised Second Edition of Family Relationships in Later Life provides an innovative new collection of research based descriptions on family relations of older people Each chapter summarizes existing literature on the topic and provides up to date original research Topics addressed include sibling relationships in later life widowhood ethnic differences elder abuse and mistreatment family care and health problems

Families and Aging Linda Burton, 2019-03-28 The complexity and diversity of families and aging has generated the necessity for research policy and program agendas that address emerging issues and needs for elderly

Americans and their families This volume is an effort towards that end an effort towards fostering a different perspective at families and aging **Handbook of Social Support and the Family** Gregory R. Pierce, Barbara R. Sarason, I.G. Sarason, 1996-06-30 This handbook provides the first collation and integration of social support and family research Eminent researchers from these fields address conceptual and methodological issues the role of social support in family relationships stress clinical problems and support needs for families With its coverage of a broad range of topics this resource will benefit researchers clinicians and graduate students in community counseling developmental health and cognitive psychology as well as psychotherapy **Sourcebook of Family Theories and Methods** Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R. Schumm, Suzanne K. Steinmetz, 2008-11-19 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production Handbook of Aging and Mental Health Jacob Lomranz, 1998-09-30 This comprehensive resource responds to a growing need for theory and multidisciplinary integrative research in adult and gerontological health Handbook of Aging and Mental Health brings together for the first time diverse strategies and methodologies as well as theoretical formulations involving psychodynamic behavioral psychosocial and biological systems as they relate to aging and health Forward thinking in his approach Lomranz provides the mental health adult developmental and geriatric professions with a single reference source that covers theory construction empirical research treatment and multidisciplinary program development
