Strike For Death:

Omnibus Crime Control Act of 1991 United States. Congress. House. Committee on the Judiciary,1991 *Strike for Death* John Creasey,1965 Report New Hampshire. Bureau of Labor,1893 **Biennial Report of the Bureau of Labor of the State of New Hampshire** New Hampshire. Bureau of Labor,1893 Death in the Shape of a Young Girl Patricia Melzer,2015-04-24 In the early 1970s a number of West German left wing activists took up arms believing that revolution would lead to social change In the years to come the bombings shootings kidnappings and bank robberies of the Red Army Faction RAF and Movement 2nd June dominated newspaper headlines and polarized legislative debates Half of the terrorists declaring war on the West German state were women who understood their violent political actions to be part of their liberation from restrictive gender norms As women participating in a brand of systematic violence usually associated with masculinity they presented a cultural paradox and their political decisions were viewed as gender transgressions by the state the public and even the burgeoning women s movement which considered violence as patriarchal and unfeminist *Death in the Shape of a Young Girl* questions this separation of political violence from feminist politics and offers a new understanding of left wing female terrorists actions as feminist practices that challenged existing gender ideologies Patricia Melzer draws on archival sources unpublished letters and interviews with former activists to paint a fresh and interdisciplinary picture of West Germany s most notorious political group from feminist responses to sexist media coverage of female terrorists to the gendered nature of their infamous hunger strikes while in prison Placing the controversial actions of the Red Army Faction into the context of feminist politics *Death in the Shape of a Young Girl* offers an innovative and engaging cultural history that foregrounds how gender shapes our perception of women s political choices and of any kind of political violence *CROWN YOGA (In English)* PAN LIN,2019-02-05 Mr Pan Lin has deeply studied sutras of each school from the Oriental culture including yoga and always practices hard what sages preached Crown Yoga from Physical and Mental Health to Life awakening elaborates Crown Yoga systematically and sums up Mr Pan Lin s research on yoga culture and practicing achievements In the forms of written words for the first time this book deals with the nature of yoga and several traditional schools of yoga and has in depth elaboration on its origin theoretical systems practicing methods and deep connotation of Crown Yoga which had failed to be handed down from past generations **Official Report of Proceedings of the ... Annual Convention of the American Federation of Labor** American Federation of Labor,American Federation of Labor. Convention,1915 **The 1981 Irish Hunger Strike** Michael C. Mentel,2024-01-19 The hunger strike of 1981 is regarded as one of the most tragic events in Irish history Ten men died over a period of 217 days in the H Blocks of Long Kesh Maze prison while exercising the most extreme form of civil disobedience available to them The Troubles that gave rise to the hunger strike had roots in the centuries of socio economic subjugation and religious persecution in Ireland In 1971 the British government began internment without trial for persons suspected of belonging to paramilitary organizations

Eventually the British government granted Special Category Status to these prisoners before later stripping it from the prisons by 1976 leading to a five year prisoner protest that culminated in the 1981 hunger strike This book critically examines declassified British government documents that detail how the government's policies led to the 1981 hunger strike how Margaret Thatcher exacerbated the strike by refusing steps to end it and how the hunger strike eventually led to peace in the north Analysis also illustrates how the 1981 hunger strike and the ten men who died on it forced a revolutionary change in the political and governmental structure of the north and paved a road to peace that concluded with the signing of the 1998 Good Friday Agreement

The Living from the Dead Stuart J. Murray, 2022-09-20 In a society that aims above all to safeguard life how might we reckon with ethical responsibility when we are complicit in sacrificial economies that produce and tolerate death as a necessity of life Arguing that biopower can be fully exposed only through an analysis of those whom society has let die Stuart J Murray employs a series of transdisciplinary case studies to uncover the structural and rhetorical conditions through which biopower works These case studies include the concept of sacrifice in the war against COVID 19 where emergent cultures of pandemic resistance are explored alongside suicide bombings and military suicides the California mass hunger strikes of 2013 legal cases involving preventable and untimely childhood deaths exposing the irreconcilable claims of anti vaxxers and Indigenous peoples and the videorecording of the death of a disabled Black man Murray demonstrates that active resistance to biopower inevitably reproduces tropes of making live and letting die His counter to this fact is a critical stance of disaffirmation one in which death disrupts the politics of life itself A philosophically nuanced critique of biopower The Living from the Dead is a meditation on life death power language and control in the twenty first century It will appeal to students and scholars of rhetoric philosophy and critical theory

Reclaiming Humanity in Palestinian Hunger Strikes Ashjan Ajour, 2021-12-14 2022 Winner of the Palestine Book Awards Rooted in feminist ethnography and decolonial feminist theory this book explores the subjectivity of Palestinian hunger strikers in Israeli prisons as shaped by resistance Ashjan Ajour examines how these prisoners use their bodies in anti colonial resistance what determines this mode of radical struggle the meanings they ascribe to their actions and how they constitute their subjectivity while undergoing extreme bodily pain and starvation These hunger strikes which embody decolonisation and liberation politics frame the post Oslo period in the wake of the decline of the national struggle against settler colonialism and the fragmentation of the Palestinian movement Providing narrative and analytical insights into embodied resistance and tracing the formation of revolutionary subjectivity the book sheds light on the participants views of the hunger strike as they move beyond customary understandings of the political into the realm of the spiritualisation of struggle Drawing on Foucault's conception of the technologies of the self Fanon's writings on anti colonial violence and Badiou's militant philosophy Ajour problematises these concepts from the vantage point of the Palestinian hunger strike
