focus on the tumultuous relationships between men and women whether they are father and daughter brother and sister or lovers Miss Julie is a ruthlessly realistic depiction of an upper class woman's seduction of a servant emphasizing the differences and the antagonism between them In The Father a man is brought to madness and driven out of his home by the suspicion that his daughter is not his own child while Easter centres on a family in need of redemption for its sins and suffering finding forgiveness at a season of rebirth Strindberg's acute psychological analysis and his dramatization of naked emotion within a naturalistic domestic setting make him one of the great innovators of the modern theatre

Miss Julie and The Stronger August Strindberg, Frank McGuinness, 2002-04-18 Frank McGuinness presents scintillating new versions of two of August Strindberg's plays one a major work the other less well known Miss Julie is Strindberg's examination of power sex and class set on a midsummer's eve in a nobleman's house and focusing on the shifting relationship between Miss Julie the daughter of the house and Jean her father's manservant The Stronger is a short play that explores the complex range of emotions felt by Madame X when she encounters Mademoiselle Y her husband's former mistress at a fashionable cafe Calling Mademoiselle Y worn out and evil Madame X says that the triumph of her marriage proves she is the stronger of the two even though these words ring hollow as she attempts to deceive only herself
