## **Territories Of The Rubian Federation 2001:**

**Ethnicity and Territory in the Former Soviet Union** Dr James Hughes, Gwendolyn Sasse, 2014-09-25 The collapse of the Soviet empire in 1991 removed a decades long system of successful control of potential ethnic and regional conflict The result was the eruption of numerous conflicts over state building some of which degenerated into violence and some of which were resolved or prevented by strategies of accommodation This volume explores the common trends and differences in the responses of the new post Soviet states to the problems of state building in ethnically and regionally divided societies focusing on the impact of ethnic and regional conflicts on post communist transition and institutional development The book will be essential reading for specialists and students alike who are interested in conflict regulation and post Soviet politics

**Cities in a Time of Terror: Space, Territory, and Local Resilience** H.V. Savitch, 2014-12-18 This book is about urban terror its meaning its ramifications and its impact on city life Written by a well known expert in the field Cities in a Time of Terror draws on data from more than a thousand cities across the globe and traces the evolution of urban terrorism between 1968 and 2006 It explains what kinds of cities have become prime targets why terrorism has become increasingly lethal and how its inspiration has changed from secular to religious The author describes urban terrorism as an attempt to use the city's own strength against itself forcing it to implode and delineates three basic logics of terrorist choices for targeting cities The book also includes a discussion of local resilience the city's capacity to bounce back from attack and suggests how that can be sustained Examples from New York London Jerusalem Istanbul Moscow Paris and Madrid illustrate the book's central themes

Developing Australia's Regions Andrew Beer, Alaric Maude, Bill Pritchard, 2003 This is a book that recognises that regions matter what takes place in our diverse regions fundamentally determines the nation's quality of life It delves behind the headlines and speeches and considers the true state of Australia's metropolitan and non metropolitan regions and what can be done to improve their economic social and environmental wellbeing This practical book draws upon regional development theory and national and international experience to set out the principles and strategies that can be used to establish a stronger future for our regions back cover

**Federalism and Territorial Cleavages** Ugo M. Amoretti, Nancy Gina Bermeo, Professor of Politics Nancy Bermeo, 2004 One of the biggest problems facing developing countries is the integration of regions with different traditions and minority groups into a larger sovereignty This book analyses successes and failures of federalism in advanced industrial countries developing countries and post Communist regimes

*Territorial Disputes and Resource Management* Rongxing Guo, 2006 Territorial disputes refer to disputes over territories that are claimed by two or more independent countries The disputes may evolve from historical and or cultural claims or they may be brought on by competition of resource exploitation This book sets out to present a guide to resource management in disputed areas throughout the world

**Territory, War, and Peace** John A. Vasquez, Marie T. Henehan, 2023-04-14 This book presents a collection of new and updated essays on what has come to be known as the territorial explanation of war The book

argues that a key both to peace and to war lies in understanding the role territory plays as a source of conflict and inter group violence Of all the issues that spark conflict territorial disputes have the highest probability of escalating to war War however is hardly inevitable much depends on how territorial issues are handled More importantly settling territorial disputes and establishing mutually recognized boundaries can produce long periods of peace between neighbors even if other salient issues arise While territory is not the only cause of war and wars arise from other issues territory is one of the main causes of war and learning how to manage it can in principle eliminate an entire class of wars This book will be of great interest to all students of war and conflict studies causes of war and peace international security and strategic studies John A Vasquez is Thomas B Mackie Scholar in International Relations at the University of Illinois Urbana Champaign He is author of *The Steps to War* 2008 with Paul Senese and *The War Puzzle Revisited* 2009 He has been president of the Peace Science Society International and the International Studies Association Marie T Henahan is Director of Internships and Lecturer Department of Political Science at the University of Illinois Urbana Champaign She is author of *Foreign Policy and Congress An International Relations Perspective* and co editor of *The Scientific Study of Peace and War*

**Alternative Capitalisms: Geographies of Emerging Regions** Robert Gwynne, Denis Shaw, Thomas Klak, 2014-05-12 This book aims to examine the effects of globalization and economic and political transformations in those parts of the world which are now regularly referred to as emerging regions These are Latin America and the Caribbean East Central Europe and the former Soviet Union and East Asia This book breaks new ground in three areas First of all it develops a critique of the use of the term emerging regions for geographers and social scientists and relates this to world systems theory Secondly it explores the development trajectories and challenges of countries in this so called emerging world countries that will be crucial to the evolution of the world economy in the twenty first century Thirdly it compares and contrasts the pathways of both economic and political change in the three world regions under focus This is a unique approach in terms of books published in both geography and the social sciences Within the context of the three world regions the book combines historical and contemporary analysis of the evolving world system In these regions we are concerned to understand the historical expansion and extension of capitalism and how its contemporary forms of production exchange and regulation are evolving The authors believe that at the present time these processes have produced alternative capitalisms economic and associated developments which while assuredly capitalist differ in various ways from those typical of the capitalist West or core economies of North America and Western Europe

Attention Deficit/hyperactivity Disorder (AD/HD) and the Hyperkinetic Syndrome (HKS) Robert D. Oades, 2006 There is a dynamism among current ideas on AD HD research which is extraordinarily encouraging as we look to the future and the resolution of the problems of AD HD We can have more confidence than of late that we can determine and rate the problems grouped under the rubric of AD HD chapter 1 delineate them with respect to some prominent if not all related behavioural disruptions chapter 2 and have some confidence in an

inter cultural commonality of a problem that may respond to attention from professional care givers chapter 4 We are standing already at the second stage of an understanding and attribution of genetic and environmentally mediated traits chapter 3 9 and 10 that the way forward towards which feature s trigger s which effect s may involve tens of stages is exciting for the first results are at hand e g DRD4 Which amine systems DA NA 5 HT adrenaline acetylcholine intervene with anomalous function is better understood qualitatively than quantitatively chapters 5 8 Perhaps this link in the chain of understanding remains in the most primitive state among the fields discussed in this book synaptic bouton e g vesicle transporters and neurexins let alone the rules for extraneuronal uptake and release in neighbouring systems e g DA by NA systems This knowledge will determine future generations of biologically based treatments Chapter 12 and 13 have illustrated how in principle we may determine with simple neurophysiological means for whom precisely will these work and on what neural systems and psychological functions are they effective The current ideas are promising a body of knowledge is there many details still need to be teased out but the way forward has been indicated

*Territorial Disputes and State Sovereignty* Jorge E. Núñez, 2020-05-11 Adopting a multi disciplinary approach this book opens new ground for research on territorial disputes Many sovereignty conflicts remain unresolved around the world Current solutions in law political science and international relations generally prove problematic to at least one of the agents part of these differences Arguing that disputes are complex multi layered and multi faceted this book brings together a global inter disciplinary view of territorial disputes The book reviews the key conceptual elements central to legal and political sciences with regards to territorial disputes state sovereignty and self determination Looking at some of the current long standing disputes worldwide it compares and contrasts the many issues at stake and the potential remedies currently available in order to assess why some territorial disputes remain unresolved Finally it offers a set of guidelines for dispute settlement and conflict resolution that current remedies fail to provide It will appeal to students and scholars working in international relations legal theory and jurisprudence public international law and political sciences

**Virgin Territory** Julia Kelto Lillis, 2022-12-13 Women s virginity held tremendous significance in early Christianity and the Mediterranean world Early Christian thinkers developed diverse definitions of virginity and understood its bodily aspects in surprising often nonanatomical ways Eventually Christians took part in a cross cultural shift toward viewing virginity as something that could be perceived in women s sex organs Treating virginity as anatomical brought both benefits and costs By charting this change and situating it in the larger landscape of ancient thought Virgin Territory illuminates unrecognized differences among early Christian sources and historicizes problematic ideas about women s bodies that still persist today

*Hypogene Karst Regions and Caves of the World* Alexander Klimchouk, Arthur N. Palmer, Jo De Waele, Augusto S. Auler, Philippe Audra, 2017-08-17 This book illustrates the diversity of hypogene speleogenetic processes and void conduit patterns depending on variations of the geological environments by presenting regional and cave specific case studies The cases include both well known and newly recognized hypogene karst regions and caves of the world They all focus on geological hydrogeological geodynamical and evolutionary contexts of hypogene speleogenesis The last decade has witnessed the boost in recognition of the possibility global occurrence and practical importance of hypogene karstification speleogenesis i e the development of solutional porosity and permeability by upwelling flow independent of recharge from the overlying or immediately adjacent surface Hypogene karst has been identified and documented in many regions where it was previously overlooked or misinterpreted The book enriches the basis for generalization and categorization of hypogene karst and thus improves our ability to adequately model hypogene karstification and predict related porosity and

permeability It is a book which benefits every researcher student and practitioner dealing with karst **The New Georgia Encyclopedia Companion to Georgia Literature** Hugh Ruppersburg, John C. Inscoe, 2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O'Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author's life and work contributions to Georgia history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith's *Strange Fruit* international publishing sensations like Margaret Mitchell's *Gone With the Wind* and crowning artistic achievements including Jean Toomer's *Cane* The literary culture of the state is also covered with information on the Georgia Review and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year's best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage [Out of Water - Design Solutions for Arid Regions](#) Liat Margolis, Aziza Chaoui, 2014-10-27 Zunehmend sind wir damit konfrontiert dass Wasser ein sehr knappes Gut ist insbesondere in Gebieten mit trockenem Klima Der Mangel an Wasser verlangt nach preventiven oder kompensatorischen Lösungen die Vorbildcharakter haben können Wasser woher Dies muss die Leitfrage sein um auf die Folgen von Klimawandel und menschlicher Intervention zu reagieren Mit welchen Strategien können die besonderen Kompetenzen von Landschaftsarchitektur Urbanismus und Architektur für diese komplexen Probleme aktiviert werden Welche Technologien und Materialien stehen zur Verfügung Welche Methoden und Werkzeuge können eingesetzt werden Welche Rolle kann soziales Engagement spielen In der Folge mehrjähriger Forschungen einer wandernden Ausstellung und einer internationalen Konferenz werden die Probleme und vielseitigen Lösungen hier von Experten aus den relevanten Disziplinen dargestellt Die Dokumentation der Entwurfslösungen und die Visualisierungen der Analysen erfolgen mit eigens für dieses Buch angefertigten Zeichnungen *The Federal Contract* Stephen Tierney, 2022 This book rethinks the idea and practice of federalism and considers the specific constitutional purposes that federalism serves Using the methodology of constitutional theory the book re-evaluates our understanding of federalism in its historical development and present incarnations **Judging Russia** Alexei Trochev, 2008-04-28 This is a study of the actual role that the Russian Constitutional Court played in protecting fundamental rights and resolving legislative executive struggles and federalism disputes in both Yeltsin's and Putin's Russia Trochev argues that judicial empowerment is a non-linear process with unintended consequences and that courts that depend on their reputation flourish only if an effective and capable state is there to support them This is because judges can rely only on the authoritativeness of their judgments unlike politicians and bureaucrats who have the

material resources necessary to respond to judicial decisions Drawing upon systematic analysis of all decisions of the Russian Court published and unpublished and previously unavailable materials on their non implementation and resting on a combination of the approaches from comparative politics law and public administration this book shows how and why judges attempted to reform Russia s governance and fought to ensure compliance with their judgments **The Rise of**

**Anti-Americanism** Brendon O'Connor, Martin Griffiths, 2007-05-07 Is anti Americanism one of the last respectable prejudices or are accusations of anti Americanism a way to silence reasonable criticism of the United States Is the recent rise in anti Americanism principally a reaction to President George W Bush and his administration or does it reflect a general turn against America and Americans Have we moved from the American century to the anti American century with the United States as the whipping boy for a growing range of anxieties Can the United States recapture the international good will generally extended towards it in the days following 11 September 2001 These key questions are tackled by this new book which offers the first comprehensive overview of anti Americanism in the twenty first century Examining what is sensibly called anti Americanism and its principal sources this study details how the Bush administration has provoked a recent upsurge in anti Americanism with its stances on a range of issues from the Kyoto Protocol to the war in Iraq However the spread of anti Americanism reflects deeper cultural and political anxieties about Americanization and American global power that will persist beyond the Bush administration At the heart of much of the recent anti Americanism is opposition in the Middle East and elsewhere to US support of Israel This crucial issue is explored in depth as is the associated claim of a clash of civilizations between Islam and the West and the rise of anti American terrorism This book will be of great interest to all students and scholars of American Studies International Relations and Politics **Planning and Urban Design Standards**
