Barbados Keith A. P. Sandiford, 1998 This work offers an intriguing and important analysis of the role played by three
prestigious grammar schools Combermere School Harrison College and the Loge School in establishing the cricket cult in
Barbados and ultimately throughout the Caribbean It goes far towards explaining why Barbadians have traditionally played
such excellent cricket This book is the first to make such extensive use of Barbadian school magazines as primary sources for
the study of social history The author stresses the statistical first class records of about 200 alumni of the three schools and
in so doing furnishes sport sociologists with a considerable new body of empirical data for future use Although it focuses on a
Barbadian situation the book should interest cricket enthusiasts everywhere with its many photographs and its lucid and
candid treatment of some of the most important personalities in regional and world cricket a few of whom are still actively
involved in the sport today *Sport in Britain* Richard William Cox, 1991 **Australian national bibliography**, 1961
