Test Eleven Great Ashes Battles:

Test Eleven Bernard Whimpress, Nigel Hart, 1995 500-1: The Miracle of Headingley '81 Rob Steen, Alastair McLellan, 2011-11-16 No season exerts a grip on the hearts of English cricket followers quite like the summer of 1981 For the first time in a generation the whole country was transfixed by a Test series What made it all the more remarkable was that the fortunes of the national team not to mention those of the game in general and the country itself seemed at rock bottom During the course of an Ashes series that shifted from the mundane to the fantastical with breathtaking speed the third Test at Headingley proved to be the turning point Amid record unemployment and the worst outbreak of civil unrest in a century England 500 1 against at one stage odds taken by two members of the Australian team achieved the most improbable sporting triumph of the 20th century mounting a dramatic comeback to beat Australia by 18 runs The names of Ian Botham Bob Willis and Mike Brearley duly became forever entwined with what readers of the Observer recently voted Most Memorable Sporting Moment 500 1 recreates the match with the aid of those who were there players officials groundstaff spectators and media while placing events in their full context tracing a timeless tale in rich vivid and unprecedented detail As the thirtieth anniversary approaches 500 1 The Miracle of Headingley has been fully updated to reflect the impact that Test had on the game and those who watched it at a time of struggle in both the game and society as a whole **Ernie Jones: Australia's First Fast Bowler** Bernard Whimpress, 2007-05-01 Born in a country town in South Australia in a house built by his Welsh father Ernie Jones 1869 1943 was the archetypal rough diamond fast bowler arguably Australia's first inevitably a big hitter and an inspiration to poets He is said to have bowled or even thrown the ball through W G Grace's beard in the first match of Australia's tour of England in 1896 In the winters he was a top level Australian Rules footballer With help from Jonah's descendants and from local archive material Bernard Whimpress a leading historian of Australian cricket traces a remarkable career in which he even signed up to play for Sussex On the way we take in Australia's mining cities of Broken Hill and Kalgoorlie the tragedies of the deaths of his children labouring at the Adelaide Oval working as a wharfie at Fremantle and doing the heavy work searching ships as a Customs man Jones' story is a big man's struggle against adversity **Sold by the Millions** Louise Lightfoot, Amit Sarwal, 2011-12-08 Australian genre fiction writers have successfully exploited the Australian landscape and peoples and as a result their books are today sold by the millions across boundaries They have created stories that are imaginative visionary and diverse They appeal to local and international readerships and most importantly are thoroughly entertaining thus making them a strong presence in the popular fiction bazaar Sold by the Millions Australia's Bestsellers is the first collection to concentrate on Australia's best selling material that forms the armchair reading of many Australians Leading experts of popular fiction provide introspective pieces on Romance Horror Crime Science Fiction Western Comics Travel Sports and Children's writing so that a wholesome picture emerges of the wide range of reading and research options available for scholars Australian Books in Print 1999 K G Saur
