**Canon** Ervin Budiselić, 2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ **Final Report of the Independent Counsel in**

**Ezekiel** Brian Neil Peterson,2015-08-01 Scholars have long puzzled over the distinctive themes and sequence of John's narrative in contrast to the Synoptic Gospels Brian Neil Peterson now offers a remarkable explanation for some of the most unusual features of John including the early placement of Jesus cleansing of the temple the emphasis on signs confirming Jesus identity the prominence of Jesus I Am sayings and a number of others The Fourth Evangelist relied on models motifs and even the macrostructure of the Book of Ezekiel      **Conversations with Barth on Preaching** Bishop William H.

Willimon,2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well      *Testimony Is Praise* John Kipp,Donna Kipp,2022-01-09 In this book John

and Donna Kipp tell their story of how God has worked in and through their lives They share honestly and deeply about childhood influences and challenges early adult decisions that moved them in unforeseen directions and their growth as believers in Christ who are still learning what it means for Jesus to be Lord and Savior They are convinced God the Father has loved them through their ups and downs and that Holy Spirit is at work as they encourage others to share their own stories of choices challenges and God's faithfulness      *Violations of Free Speech and Rights of Labor* United States.

excellence standard features of classroom instruction in ethics moral theology and catechesis Father Pinckaers s new directions in moral theology came none too soon to Anglo American moral thought which otherwise would have become submerged completely under the waves of one kind of relativism or another Instead of enabling cheap escapes from moral truth Father Pinckaers directs his students to the Sermon on the Mount There they discover that those who suffer persecution for justice s sake are called blessed or happy This suffering may even lead to death The present volume completes Sources It gives us a theological account of Christian martyrdom Authentic martyrs testify to the highest meaning that God inscribes into the moral life In a word nothing should deter the Christian from choosing God No one completes a Christian life without becoming at least a martyr for charity from back cover      *Marx v.
