Winning Votes by Abusing Reason Jamie Carlin Watson,2016-12-14 Over the past few decades psychologists have discovered that human reasoning is defective in surprising ways We are beset by numerous biases and heuristics which lead us to reason poorly about things that matter to us And while there are illuminating evolutionary explanations for how these biases and heuristics may have benefited our species in its phylogeny psychologists are unanimous that these cognitive dispositions largely corrupt rather than aid our belief forming practices In *Winning Votes by Abusing Reason* Political Rhetoric and Responsible Belief Jamie Watson argues that political rhetoric rather than helping us overcome these defects exacerbates them And standard attempts to address this problem such as deliberative democracy

and paternalism tend to either exclude citizens from important decisions or give them the illusion of reasoning well perpetuating poor and irresponsible political beliefs This book concludes that rather than attempt more political solutions the most promising approach to forming and preserving responsible political beliefs is to adopt individual principles of epistemic caution The author brings together insights from political philosophy social epistemology behavioral psychology and agnotology to suggest how we might protect our belief forming behavior from the corrosive effects of political rhetoric Recommended for scholars of philosophy rhetoric political science and communications MY DESTINY GO FORWARD KOFO,2014 This book is all about providing guiding light toward the various challenges we face especially as they relate to our destiny Delay is never a thing that any human being wants to experience in life Delay can make the heart sick and the body grows weary Just imagine having a great expectation of achieving something and suddenly seeing it not work out How would you feel Most of us must struggle at some point with the spirit of delay that the enemy may want to plant into our lives It takes an aggressive decision to wrestle our destiny from the hand of the devil so that it will not be truncated stolen vandalized or hijacked **The Presidential Campaign of Barack Obama** Dewey M.
