Testing Christianity's Truth-claims Gordon Russell Lewis, 1976-01-01 Testing Christianity's Truth Claims Gordon Russell Lewis, 1990 In this outstanding defense of Christianity the author compares and contrasts six methods of reasoning used by philosophers during the resurgence of evangelical beliefs in the latter half of the 20th century He looks at the empirical rational presuppositional mystical existential and verificational methods that stimulate critical thought about God as seen in the Jesus of history and in the teachings of Scripture Originally published in 1976 by Moody Press **Developing a Christian Apologetics Educational Program** Douglas E. Potter, 2010-02-18 Many are expressing concern about the future of Christian youth today What can we do to help ensure they will keep their evangelical faith once they graduate from high school Can Christian apologetics provide an educational solution Developing A Christian Apologetics Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rational for implementing an age level appropriate apologetics course at this critical level of Christian education This book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an evangelical approach to education that is in the classical apologetic tradition Christian Apologetics Norman L. looking to hone their apologetics skills Themelios ,1984 **Taking Off Roofs and Building Bridges** Alan J. Pihringer,2022-09-27 Why don t they believe the same things I do Why don t they see things my way We get frustrated when people hold differing opinions from ours or view life s major issues from conflicting angles Their system of belief their worldview seems foreign to us as they filter the events of this world in ways that we would never have imagined and then come to conclusions that we would never even consider When other peoples worldviews contradict ours both of us cannot be right Is there a way to account for the differences and determine if one is right and the other wrong For the Christian especially can we defend the Christian worldview in a way that upholds our entire system of belief and then opens the door to share the gospel with those who believe differently from us The method of worldview apologetics enables the Christian to expose the faults in other worldviews demonstrate the truth of the Christian worldview and build a bridge for others to hear the gospel of Jesus Christ Both scholarly and practical worldview apologetics equips the Christian to assess and critique differing belief systems and fulfill the call to Great Commission outreach **Evangelical Review of Theology, Volume 47, Number 1** Thomas Schirrmacher,2023-03-06 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in coordination with the World Evangelical Alliance s broader mission and activities **Christian Apologetics** Douglas Groothuis,2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity **Classical Readings in Christian Apologetics** L.
