**The Mexican Filmography, 1916 through 2001** David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release Horror and Science Fiction Films IV Donald C. Willis, 1997-08-07 This fourth title in a unique series that combines reference and analytical qualities in chronicling the horror and science fiction genres Horror and Science Fiction Films IV brings the earlier three volumes in the series up to date concentrating on the period from 1984 1994 as well as updating entries from the previous volumes and adding newly discovered titles from 1900 1983 Entries in the main list include credits cast synopsis and annotation The introduction lists 1995 releases in the genres and 1996 releases through the summer cites the more memorable films in the genres for both the current period and 1900 1984 and serves as an index to key titles in the main list including long lost titles such as the obscure silent *Were Tiger* and the 1931 *The Phantom* Willis includes many films from around the world that are not found in any other English language film reference work One appendix provides thumbnail descriptions of problem and peripheral films another updates entries in the first three books with alternate titles and a third appendix serves as an index to the approximately 7 000 films listed in the first three volumes in the series as well as in the current volume thus bringing the total number of films covered in this series to roughly 11 000 titles Nuevo diccionario portatil, espanol e ingles Claude-Marie Gattel, 1803 **Nuevo diccionario espanol-aleman y aleman-espanol** Johann Daniel Wagener, **Nuevo diccionario portatil, español é ingles** Claude-Marie Gattel, 1803 The Bankers Encyclopedia, 1922 *Nuevo diccionario portatil, español é ingles, compuesto segun los mejores diccionarios que hasta ahora han salido a luz en ambas naciones.
