Third Series Library of Congress. Copyright Office,1974 A Lawless Breed Chuck Parsons,Norman Wayne Brown,2013 John Wesley Hardin spread terror in much of Texas in the years following the Civil War as the most wanted fugitive Hardin left an autobiography

in which he detailed many of the troubles of his life In A Lawless Breed Parsons and Brown have meticulously examined his claims against available records to determine how much of his life story is true and how much was only a half truth or a complete lie The Midnight Assassin Skip Hollandsworth,2016-04-05 A sweeping narrative history of a terrifying serial killer America s first who stalked Austin Texas in 1885 In the late 1800s the city of Austin Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis But beginning in December 1884 Austin was terrorized by someone equally as vicious and in some ways far more diabolical than London s infamous Jack the Ripper For almost exactly one year the Midnight Assassin crisscrossed the entire city striking on moonlit nights using axes knives and long steel rods to rip apart women from every race and class At the time the concept of a serial killer was unthinkable but the murders continued the killer became more brazen and the citizens panic reached a fever pitch Before it was all over at least a dozen men would be arrested in connection with the murders and the crimes would expose what a newspaper described as the most extensive and profound scandal ever known in Austin And yes when Jack the Ripper began his attacks in 1888 London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city With vivid historical detail and novelistic flair Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life The Texas Pistoleers Ron Williamson,2009 Known as two of the best pistol fighters of their day Ben Thompson and King Fisher have remained an enigma in the chronicles of the American West While other gunfighters have achieved infamy through the stories told in pulp magazines and newspapers of the day these two men were largely ignored Both were credited with killing a string of men during their lifetime and the mere mention of their names was usually enough to sober up a drunken opponent or cause a sober man to contemplate his own epitaph The Texas Pistoleers tells their story in vivid detail and relates the historically accurate account of their deaths in a mystery shrouded ambush in a San Antonio saloon on a chilly March night in 1884

Wuest,2010-03 In THE GREAT AMERICAN GUN CONTROL DEBATE Not Mr Wuest puts gun control under the microscope He ferrets out the truth separating fact from fiction He presents not a balanced picture but scientific objectivity What is important is not popular opinion or conventional wisdom but the TRUTH What works and what doesn t What have we already done and what should we do or do not We have had some gun control for as much as a hundred years Has it done any good Has it worked to prevent crime Has gun control become a free ride Or does it cost us dearly An engineer by profession Mr Wuest examines this and more using rigorous testing Frustrated by the

lack of honest debate regarding gun control Mr Wuest provides both sides of the arguments The gun control side is well known no end of print and air time have been devoted to supporting it What is the other side the one we never hear Is there a downside to gun control Find out the answers to these and other questions in THE GREAT AMERICAN GUN CONTROL DEBATE Not Mr Wuest provides a breath of fresh air to a stale debate We have been stuck in a gun control rut for so long that it is questionable if the truth will prevail Let us all hope so The Marksmanship Primer Jim Casada,2013-02-01 The Marksmanship Primer serves as a roadmap to greater shooting proficiency as well as greater enjoyment of the sport of shooting Jim Casada renowned outdoors author and editor has brought together the best selections from America s great gun writers of yesterday and today Marksmen of all levels of experience beginners pros and hobbyists can benefit from this collection of shooting wisdom Topics include Positions for Rifle and Handgun Shooting Sighting In Ballistics Rifle Marksmanship for the Hunter Accuracy at All Distances Hunting with the Handgun Physical and Mental Fitness for the Marksman Achieving accuracy and a high degree of competence is an immediate joy refining it through regular trips to the range or the field can provide a lifetime of pleasure The Marksmanship Primer is the best book to seek hunting and target shooting knowledge *Salt Warriors* Paul Cool,2008-01-22 The El Paso Salt War of 1877 has gone down in history as the spontaneous action of a mindless rabble but as author Paul Cool deftly demonstrates the episode was actually an insurgency the product of a deliberate community based decision squarely in the tradition of the American nation s original fight for self government The Pase os local Mexican Americans had held common ownership of the immense salt lakes at the base of the Guadalupe Mountains since the time of Spanish rule They believed their title was confirmed in the treaty of Guadalupe Hidalgo However to the American businessmen who saw in the white expanse a cash crop that could make them rich in the years following the American Civil War ownership appeared up for grabs After years of struggle among Anglo politicians and speculators eager to seize the lakes an Austin banker staked a legal claim in 1877 and his son in law Charles Howard started to enforce it Cool chronicles the ensuing popular uprising that disrupted established governmental authority in El Paso for twelve weeks Unique features of this pioneering book include the author s employment of previously untapped sources and the first thorough and systematic use of familiar ones notably the government report El Paso Troubles in Texas to create this detailed study of the war First person accounts from reports and newspaper items create a landmark day by day account of the San Elizario battle including the location of the Texas Ranger positions This fast paced account not only corrects the record of this historical episode but will also resonate in the context of today s racial and ethnic tensions along the U S Mexico border
