### **Branch's Annotated Penal Code of the State of Texas with Notes, Citations, and Trial Briefs, and Some Forms**

Texas, Edward Thomas Branch, 1916      J.L. Austin and the Law Daniel Brian Yeager, 2006 In investigating the relationship between accusation and excuse this study uncovers something about the criminal law's peculiar way of interpreting human action Identifying that something can move us a little closer to discovery or agreement and just what it is that is staked in criminal law What is staked in any discussion of criminal law is the meaning and operation of responsibility which makes human action and its consequences so tragic The author confronts the idea of responsibility by mapping the work of J L Austin onto the criminal law      **Searching the Law - The States** Francis R Doyle, 2022-11-14 This revised two volume set reproduces the easy to use logically organized format of Searching the Law for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation Searching the Law The States is the companion text to Searching the Law Together the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872      Would You Convict? Paul H. Robinson, 1999-09-01 A police trooper inspects a car during a routine traffic stop and finds a vast cache of weapons complete with automatic rifles thousands of rounds of ammunition and black ski masks a veritable bank robber's kit Should the men in the car be charged If so with what A son neglects to care for his elderly mother whose emaciated form is discovered shortly before she dies a painful death Is the son's neglect punishable and if so how A career con man writes one bad check too many and is sentenced to life in prison for a check in the amount of 129 75 Is this just A thief steals a backpack only to find it contains a terrorist bomb He alerts the police and saves lives transforming himself from petty criminal to national hero These are just a few of the many provocative cases that Paul Robinson presents and unravels in Would You Convict Judging crimes and meting out punishment has long been an informal national pastime High profile crimes or particularly brutal ones invariably prompt endless debate in newspapers on television in coffee shops and on front porches Our very nature inclines us to be armchair judges freely waving our metaphorical gavels and opining as to the innocence or guilt and suitable punishment of alleged criminals Confronting this impulse Paul Robinson here presents a series of unusual episodes that not only challenged the law but that defy a facile or knee jerk verdict Narrating the facts in compelling but detached detail Robinson invites readers to sentence the transgressor or not before revealing the final outcome of the case The cases described in Would You Convict engage shock even repel Without a doubt they will challenge you and your belief system And the way in which juries and judges have resolved them will almost certainly surprise you      **Survey of State**
