Texas Warrior:

Texas Warrior John Thomas Edson, 2003 *Texas Warrior* James Kane, 2012-09 In town after town from the Texas Mexican border to Wyoming Chuck Powers had stopped and asked the same question had anyone seen a man riding a black horse with lop ears Tired and hungry he'd arrived in Broken Bow and wondered if he was getting any closer to his quarry Then Powers got sidetracked In the hotel he observed a cowman hold his own against four armed and angry sheepmen Not one to stand back while a fellow Texas cowman is outnumbered four to one Powers intervenes and makes a few enemies in the process Looks like Chuck Powers will be stuck in Broken Bow Wyoming for a spell From Texas to Montana the Old West knew a breed of men that is now legendary Texas Warrior depicts the courage and the deeds that made these cowboys an important part of American history Texas on My Mind Eve Gaddy , 2019-08-15 What happens when you discover that the woman who's been a friend for years is actually the one you've been waiting for If you're Dr Turner McBride you set out to prove that the two of you would be perfect together After betrayal and a failed marriage Charlie Stockton returns to Last Stand Texas to run her bakery and avoid commitment She's delighted to resume her long time friendship with far too sexy Turner but no way is she ready or able to trust her heart again Although she might be tempted into an affair Charlie's convinced their friendship is too important to risk losing by taking it to another level It will take all Turner's determination and an unexpected wake up call to prove to Charlie that risking her heart will be well worth the gamble A Texas Soldier's Family Cathy Gillen Thacker, 2016-07-01 DON'T MESS WITH THIS TEXAN On the last leg of his tour of duty Captain Garrett Lockhart is summoned home to Laramie Texas to handle an urgent family matter a scandal that could destroy the enduring legacy of the Lockharts Except it's already being handled by Hope Winslow a professional crisis manager Hope is also the beautiful single mother of the most adorable baby boy the Army doctor has ever seen Garrett is resisting Hope's efforts at damage control and pushing her clearly defined boundaries Too bad she can't resist him and fantasies of a future with her Lone Star soldier **Water-borne Commerce of the United States** , 1977 *Heart of the Texas Doctor* Eve Gaddy , 2019-04-11 Opposites attract Graham McBride is a cardiothoracic surgeon and the eldest of the McBride siblings Dedicated hardworking traditional and oh yeah hot But Graham married young and divorced and is now convinced no woman will tolerate his dedication to his career When he meets Bella Benson at a party he's immediately attracted to her probably because she's totally different from any woman he's ever dated but can they stay together Bella owns one of the local hair salons She's young hardworking successful and unconventional And to Graham there's no denying that from the tips of her rainbow colored hair to the soles of her fancy turquoise cowboy boots Bella Benson is smokin Bella is no more interested in getting serious than Graham After all other than a sizzling physical attraction they don't have a lot in common But oh that sizzle Irresistible right So they jump into the fire both confident they can keep their emotions in check Love and passion rarely stick with a plan and while Graham has expertise in repairing hearts he is disastrously clueless figuring out his own

Can he prove to Bella that he's worth the risk *The Confederates of Chappell Hill, Texas* Stephen Chicoine, 2011-12-15

Texas was the South's frontier in the antebellum period. The vast new state represented the hope and future of many Southern cotton planters. As a result, Texas changed tremendously during the 1850s as increasing numbers of Southern planters moved westward to settle. Planters brought with them large numbers of slaves to plant, cultivate, and pick the valuable cash crop. By 1860, slaves made up 30 percent of the total Texas population. No state in the South grew nearly as fast as Texas during this decade, and as the booming economy for cotton led the economic development, the state became increasingly embroiled in the national debate about whether slavery should exist within a democratic republic dedicated to the freedom and independence of man. This work is centered on the role played by the town of Chappell Hill during this portion of Texas history. It offers details about the area's pre-war prosperity as a center of wealth, influence, and aristocracy and describes the angry fervor of the period leading up to the war. Men of this small town played a role in many of the major campaigns and battles of the war, and their motivations for enlisting and their tales of duty are included here. Through excerpts from their correspondence and journals, the book emphasizes personal experiences of the soldiers. Post-war adventures are also offered as the author explores Texas resistance to Federal occupation, the town's yellow fever epidemic, and a period of reconciliation as aging veterans gather at Blue Gray reunions to reunite the nation. **The Texas Valentine**

Twins Cathy Gillen Thacker, 2017-02-07 A Sweetheart Deal Wyatt Lockhart is bound to regret moving in with Adelaide Smythe. She's broken the Texas rancher's heart before, and their last spontaneous reunion resulted in a couple of surprises: twin babies. Wyatt won't shirk his fatherly duties, but being this close to Adelaide makes it hard to remember why he should stay far away. Adelaide knows she hurt Wyatt, and she's determined never to do it again. Once they figure out how to share parenting duties, she'll give him enough space to keep both their hearts safe. But life together at the Circle H is already growing on her. For the sake of their family's future, can Wyatt forgive Adelaide for the past? *A Texas Cowboy's Christmas* Cathy Gillen Thacker, 2016-11-01 A GIFT AS BIG AS TEXAS Molly Griffith is ambitious and only wants to give her little boy the opportunities she never had. Which means moving to Dallas, no matter what. Chance Lockhart says, "Though being with the handsome rancher does make the idea of small town life more tempting, Molly has always gotten under Chance's skin, and now that he's bonded with her little tyke, he can't imagine Bullhaven Ranch without them. But the single mom is so focused on her big city fairy tale, she could miss Chance's offer of the most important gift of all: the love and support of a real family."
