Texmex Accordion:

Tex-Mex Conjunto Classics for Accordion Gary Dahl, 2010-10-07 Mel Bay Publications Inc in conjunction with Arhoolie Productions Inc presents this sampler collection of 15 hits by early Tejano artists for diatonic or piano accordion

Puro Conjunto Juan Tejeda, Avelardo Valdez, 2001 A collection of thirty three essays from the program magazine from the Tejano Conjunto Festival in San Antonio *Flaco's Legacy* Erin E. Bauer, 2023-05-23 A combination of button accordion and bajo sexto conjunto originated in the Texas Mexico borderlands as a popular dance music and became a powerful form of regional identity Today listeners and musicians around the world have embraced the genre and the work of conjunto masters like Flaco Jimenez and Mingo Saldívar Erin E Bauer follows conjunto from its local origins through three processes of globalization migration via media hybridization and appropriation that boosted the music's reach As Bauer shows conjunto's encounter with globalizing forces raises fundamental questions What is conjunto stylistically and socioculturally Does context change how we categorize it Do we consider the music to be conjunto based on its musical characteristics or due to its performance by Jimenez and other regional players How do similar local genres like Tejano and norteño relate to ideas of categorization A rare look at a fascinating musical phenomenon Flaco's Legacy reveals how conjunto came to encompass new people places and styles

Álvarez, 2025-05-27 Searching propulsive and deeply spiritual Accordion Eulogies is an odyssey to repair a severed family lineage told through the surprising history of a musical instrument Growing up in Yakima Washington No Álvarez never knew his grandfather Stories swirled around this mythologized larger than life figure That he had abandoned his family and had

possibly done something awful that put a curse on his descendants About his grandfather young No was sure of only one thing That he had played the accordion Now an adult reckoning with the legacy of silence surrounding his family s migration from Mexico lvarez resolves both to take up the instrument and to journey into Mexico to discover the grandfather he never knew lvarez travels across the US with his accordion meeting makers and players in cities that range from San Antonio to Boston He uncovers the story of an instrument that s been central to classic American genres but also played a critical role in indigenous Mexican history Like the accordion itself lvarez feels trapped between his roots in Mexico and the U S As he tries to make sense of his place in the world as a father a son a musician he gets closer to uncovering the mystery of his origins
