Textbook Of Healthcare Ethics:

Textbook of Healthcare Ethics Erich E. H. Loewy, 2014-01-15 **Textbook of Healthcare Ethics** Erich E.H. Loewy, 2013-10-03 Here Erich H Loewy expands on his earlier book *Textbook of Medical Ethics* 1989 offering healthcare workers and students a new perspective on ethical practice *Textbook of Healthcare Ethics* focuses on the social conditions in which medical practice occurs and how ethical healthcare decisions involves nurses social workers psychologists technicians and patients as well as physicians This thoroughly revised and expanded edition addresses historical and theoretical underpinnings and practical concerns A series of case studies serve as a guideline for further discussion The text examines provocative issues such as organ donation care of the terminally ill abortion HIV positive healthcare professionals physician assisted suicide and experimentation with fetal tissue This is an ideal book for all members of the healthcare team as well as students and residents in any discipline of medicine **Textbook of Medical Ethics** Erich H. Loewy, 2013-06-29 When physicians in training enter their clinical years and first begin to become involved in clinical decision making they soon find that more than the technical data they had so carefully learned is involved Prior to that time of course they were aware that more than technology was involved in practicing medicine but here for the first time the reality is forcefully brought home It may be on the medical ward when a patient or a patient's relatives ask that no further treatment be given and that the patient be allowed to die it may be in ob gyn when a 4 or 5 month pregnant lady with two other children and just deserted by her husband pleads for an abortion it may be in the outpatient setting where patients unable to afford enough to eat cannot afford to buy antibiotics for their sick child or provide him or her with the recommended diet Whatever the setting students soon find themselves confronted with problems in which an answer is not given by the technical possibilities alone indeed students may have to face situations in which all things considered the use of these technical possibilities seems ill advised But choices need to be made Some of us may choose to hide behind a mastery of technology **Textbook of Healthcare Ethics (2005).** , *Textbook of Healthcare Ethics (2005).* , **Ethics of Health Care: A Guide for Clinical Practice** Raymond S. Edge, John Randall Groves, 2006 *Ethics of Health Care A Guide for Clinical Practice* 3E is designed to guide health care students and practitioners through a wide variety of areas involving ethical controversies It provides a background in value development and ethical theories including numerous real life examples to stimulate discussion and thought Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *The Cambridge Textbook of Bioethics* Peter A.
