Taylor, 2013-11. *Getting Through* is the story of an ordinary, undistinguished retired aeronautical engineer who recounts his experiences from late childhood through an idyllic adolescence, a mediocre public school education, a thwarted flying career, a bitching time in the Air Force, a second-tier, now defunct engineering college, a marriage that went bad, and a career of underlying discontent with a few failures and some successes. Included are his father's life recollections and the author's thoughts on philosophy, religion, nature and nurture, warfare, and the meaning of life, ending with accumulations of life's journey, things done, places been, best books read, and the distance traveled on planet Earth. *Getting Through* replete with wit, wisdom, and ignorance tells us that no life is ever ordinary and that everyone's story is worth telling. **The Andover Review**, 1884.
