Basis of Preaching Biblical Message: Preach the Word Rev Dr koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the

inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book *Lord, I Need Your Healing Power* Quin Sherrer, Ruthanne Garlock, 2006 God is still in the healing business today Healing was a trademark of Jesus earthly ministry and nowhere does Scripture teach that divine healing ended with the New Testament church Best selling authors of numerous books Quin Sherrer And Ruthanne Garlock challenge those who are sick and their friends family and caregivers to embrace the message in Lord I Need Your Healing Power This book is packed with contemporary testimonies of hearing miracles and practical and scriptural principles that connect health and faith About the Author Quin Sherrer is the author of twenty six books fifteen of which she coauthored with Ruthanne Garlock These include the best selling How to Pray for Your Children and A Woman s Guide to Spiritual Warfare Ruthanne Garlock has coauthored seventeen books on prayer and related subjects and two mission biographies God Be With Us A Daily Guide for Praying for Our Nation which she wrote with Quin Sherrer was nominated for a 2002 Gold Medallion Award in the devotional category **E-Quake** , *These Signs Shall Follow: How to activate the spiritual gifts* Aaron McMahon, 2007-03-27 Heal the sick raise the dead cleanse the lepers cast out demons Matthew 10 8 isn t just a challenging commission to every Christian believer it is what Jesus expects from every one of us He gave us his Holy Spirit so that we would have the power to heal the sick and raise the dead To live any less than this is to dishonor our destiny and the price that Jesus paid so we could walk in His shoes He lives in us His power flows through us He gave us authority to do things in His name It s time to walk in our destiny These Signs Shall Follow will teach you your identity your destiny and your authority It will teach you how to pursue God and the gifts of the Holy Spirit with hunger and passion It gives practical insight on how to acquire and practice the spiritual gifts You will learn how to get a word of knowledge how to prophesy over someone and how to heal the sick **In His Name** E. them imprisoning them torturing them and if need be murdering them Few records survive regarding the true history of Christianity that are not written by dogmatic Christian writers almost all historical documents manuscripts and scrolls disagreeing with Christian interpretations of Scripture having been lost or destroyed The First Crusade after a rough beginning the Beggars Crusade 1095 1099 is composed of thieves and beggars finally managed to capture Jerusalem and much else beside setting up a series of Crusader states to protect their gains These managed pretty well until 1144 when the counterattacking Muslims took a couple of important Christian strongholds Many Franks had been sent on the crusade as penance for atrocious offenses such as rape and murder and reverted to their unpleasant habits Pilgrims were a natural prey though one of the principal objects of the crusade had been to make the Holy Places safe for them The Monks of War D Seward p 33 Today the Vatican in all its glory in all its magnificence in all its entire splendor stands as a tribute to the overwhelming magnitude of the crimes of the Church in its quest for world dominance Its history veiled in religious platitudes to appease the ignorant masses that often know little or nothing of the heinous crimes committed in the name of Jesus Christ their God and Savior
