A Woman's Poetic Guide to Emotional Health and Spiritual Peace Tamara Patterson,2005 In a world where women are more educated more powerful and more equipped to succeed than ever before sadly it seems that common sense has become a rare luxury for many A vast number of beautiful well spoken intelligent and influential women are remaining in situations of deceit abuse and self destructive patterns that cast a dark shadow over their lives and over the lives of those who love them Many underlying issues contribute to our disturbing behaviors and never ending tolerance for foolishness and unfairness in our relationships Even so we ve allowed the world s loose representation of love sex wisdom and their version of happiness to taint what women of God should already know as divine truth The first purpose of Issues of the Heart is to encourage women to take a long hard and analytical second look at their current involvements and not only ask how did I get here But should I remain here Second Issues of the Heart provides wisdom strength and encouragement through sound biblical instruction to move from bad situations to deliverance emotional healing and spiritual peace Addressing issues that are far too often considered taboo in the church Issues of the Heart covers a variety of topics from sex bad choices in men and eating disorders to death friends work performance and the absence of the father Assuring them that they are not alone in their struggles Issues of the Heart helps women take Satan by the horns and cast him out of their lives Through poetry straight talk scriptures and prayer the overall message remains the same Regardless of your past your mistakes your pains or regrets God desires to give you peace and heal the issues of your heart
