Franzen M.Div. BCC, 2025-01-26 Imagine sitting at the feet of Jesus with Him telling you His very own story of how He created you Who better to tell God's story about you than God Himself How do we hear the purity of that story The Narration of Creation shares a progression through God's revelation of the Genesis creation in a fresh inspirational way It describes two lenses in which we interpret through and the contrast between the two God intended His story to unfold from His perspective a top down perspective rather than from the usual ground up viewpoints This study reveals the very person and nature of God Himself and in doing so offers new contributions to our understanding of God's creation story Hearing the purity of the creation narrative allows you to discover your true identity find security and belonging and feel valued and loved beyond measure Uplifting and enlightening this devotional style study invites you to view the creation story through the lens of God's attributes and nature **All Things New** Pete Hughes, 2020-02-01 God is on a mission to make all things new from the fashion industry to the business community from politics to education and from entertainment to media and the arts God's burning desire is to bring restoration to every sphere of society Starting in Genesis and working through the Scriptures All Things New will take you on a journey into the very heart of God and His relentless passion to redeem lives heal the nations rewire the culture and bring renewal to all of creation As we immerse ourselves in the greatest story ever told we find our ultimate sense of belonging our purpose in the present and our hope for the future We become actors in this unfolding drama pushing forward God's purposes for the world and joining His mission to make all things new **The Christian Delusion** John W. Orion is Upside Down Amy Kernahan,2011-09-12 This sea story from the bottom of the earth takes the reader on a philosophical voyage through many realms religious and secular mathematical and poetic natural and mechanical Something akin to a Scottish Bill Bryson Amy Kernahan who was born and grew up on the Isle of Lewis the largest of the chain of islands off the northwest coast of Scotland sets out with her travelling companion her father to journey in the Antarctic and follow her dreams of seeing and even standing in the places where Sir Ernest Shackleton had been Casting Shackleton in the role of Virgil to her Dante she follows his trail through the ice fields around the Antarctic Peninsula a vision here on earth as hellish as the frozen Lake Cocytus at the centre of Dante s Inferno Along the way the might of the sea and the glories of the Antarctic set Amy pondering themes of Judeo Christianity seeing Antarctica as a remnant of Eden unpopulated by both mankind and sin The mathematics of nature reveals itself to her and she is awed by the prophetic soul of Coleridge and his Ancient Mariner Amy has set out on her journey believing it to be a pilgrimage to Shackleton s grave but as she sojourns beneath striking southern skies where even the familiar is alien she realises that she is on another more spiritual pilgrimage called by the ancient Christians of her homeland peregrinatio the search for what they called the place of one s resurrection or true home The outcome although perhaps not surprising is not quite as clear cut as it might have been

The Social Meanings of Sacrifice in the Hebrew Bible David Janzen,2012-08-09 This work uses anthropological theory and field studies to investigate the social function and meaning of sacrifice All rituals including sacrifice communicate social beliefs and morality but these cannot be determined outside of a study of the social context Thus there is no single explanation for sacrifice such as those advanced by Ren Girard or Walter Burkert or late 19th and early 20th century scholars The book then examines four different writings in the Hebrew Bible the Priestly Writing the Deuteronomistic History Ezra Nehemiah and Chronicles to demonstrate how different social origins result in different social

meanings of sacrifice
