Reading Light William H. Cooper Jr., 2018-05-23 What are Christians filling their minds with in order to stand strong in this present age of postmodernism and total moral relevance? This is a question that springs to mind when one scans the shelves of the local Christian bookstore. With that in mind, *Reading Light* presents guidance for Christian readers featuring recommendations for Christian books that were both educational and enjoyable. It serves not as a scholar offering a lecture but as a friend sharing a good read with others and describing what benefits they can gain from each book. Author William H. Cooper Jr. stresses the need for Christians to read books with spiritual substance. He focuses on ten authors and their most prominent works, exploring their lives and considering the reasons each book might be beneficial. Intended for individuals, Sunday school groups, or book clubs, this guide provides Christians with essential recommendations for readable books with the promise of great reward.
