Occasional and Parochial John Keble, 1867 **Lectionary Worship Workbook, Series II, Cycle C** Wayne H. Keller, 2000-06 The most impressive thing about Wayne Keller's body of ideas for worship throughout the Christian Year is his boldness He is bold in demanding that we his colleagues in liturgical leadership plan worship that has to do with the reality of our congregations experience in the world rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week He is bold in challenging us to bring that real world with its pains and its pleasures its hungers and its feasts its beauty and its ugliness to exposure before the living God And he is bold in helping us shine the strong exposing light of the transforming Word on our real lives and on that real world so that we may move beyond planning worship as a nice safe feel good routine from which we depart the same people we were when we arrived We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship Thank God for Wayne Keller and for his deep respect for the central act of the Christian community the blessed and
