Olivier Thomas Kiernan,1981 Coriolanus on Stage in England and America, 1609-1994 John Ripley,1998 Drawing upon promptbooks and other theater documents engravings and photographs reviews interviews letters diaries and memoirs he creates a richly layered account of a play persistently denied its character and rarely staged without explicit or implicit apology

History and Popular Memory Paul A Cohen,2014-04-29 When people experience a traumatic event such as war or the threat of annihilation they often turn to history for stories that promise a positive outcome to their suffering During World War II the French took comfort in the story of Joan of Arc and her heroic efforts to rid France of foreign occupation To bring the Joan narrative more into line with current circumstances however popular retellings modified the original story so that what people believed took place in the past was often quite different from what actually occurred Paul A Cohen identifies this interplay between story and history as a worldwide phenomenon found in countries of radically different cultural religious and social character He focuses here on Serbia Israel China France the Soviet Union and Great Britain all of which experienced severe crises in the twentieth century and in response appropriated age old historical narratives that resonated with what was happening in the present to serve a unifying restorative purpose A central theme in the book is the distinction between popular memory and history Although vitally important to historians this distinction is routinely blurred in people s minds and the historian s truth often cannot compete with the power of a compelling story from the past even when it has been seriously distorted by myth or political manipulation Cohen concludes by suggesting that the patterns of interaction he probes given their near universality may well be rooted in certain human propensities that transcend cultural difference

The Death of the Actor Martin Buzacott,2013-10-31 In The Death of the Actor Martin Buzacott launches an all out attack on contemporary theatrical practice and performance theory which identifies the actor rather than the director as the key creative force in the performance of Shakespeare Because actors are absent from the site of Shakespearean meaning he argues the illusion of their centrality is sustained only by a rhetoric of heroism violence and imperialism

Shakespearean Films/Shakespearean Directors Peter S. Donaldson,2013-07-18 Originally published in 1990 this book brought a new rigor and subtlety to the interpretation of film adaptations of Shakespeare Drawing on traditional literary analysis psychoanalysis and current film

theory about gender and subjectivity the author combines close readings of seven films with historical and biographical studies of the directors who made them Offering substantial readings of Jean Luc Godard s controversial deconstructed King Lear and of Liz White s independent African American Othello Donaldson also applies his provocative and contemporary point of view to more familiar films He reads Olivier s Henry V in relation to its treatment of sexual difference Olivier s Hamlet in part as an expression of the director s childhood sexual trauma Kurosawa s Throne of Blood as an allegory of the relationship between Western and Japanese cinema and Zeffirelli s immensely popular Romeo and Juliet in the light of its powerful homoerotic subtext With striking perspectives on Shakespeare on the movies as an expressive medium and on the complex processes of cultural change this is timeless useful reading for teachers and students of film and literature

Design for Living Margot Peters, 2007-12-18 From the much admired biographer of Charlotte Brontë Mrs Patrick Campbell and the Barrymores Margot Peters is surely now our foremost historian of stage make believe Leon Edel a new biography of the most famous English speaking acting team of the twentieth century Individually they were recognized as extraordinary actors each one a star celebrated imitated sought after Together they were legend The Lunts A name to conjure with Alfred Lunt and Lynn Fontanne worked together so imaginatively so seamlessly onstage that they seemed to fuse into one person Offstage they brawled so famously and raucously over every detail of every performance that they inspired the musical *Kiss Me Kate* At home on Broadway in London's West End touring the United States and Great Britain and even playing the foxhole circuit of World War II the Lunts stunned moved and mystified audiences for more than four decades They were considered to be a rarefied taste but when they toured Texas in the 1930s the audience threw cowboy hats onto the stage Their private life was equally fascinating as unusual as the one they led in public Friends like the critic Alexander Woollcott whom Edna Ferber once described as the little New Jersey Nero who thinks his pinafore is a toga No 1 Coward Laurette Taylor and Sidney Greenstreet received lifelong loyalty and hospitality Ten Chimneys their country home in Genesee Depot Wisconsin is to performers what the Vatican is to Catholics Carol Channing once said The Lunts are where we all spring from In this new biography Margot Peters catches the magic of Lunt and Fontanne their period their work their intimacy and its contradictions with candor delicacy intelligence and wit She writes about their personal and creative choices as deftly as she captures their world from their meeting backstage naturally when Fontanne was a young actress in the first flush of stardom and Lunt a lanky midwesterner who came in the stage door bowed to her elaborately lost his balance and fell down the stairs and the early days when an unknown and very hungry No 1 Coward lived in a swank hotel in a room the size of a closet and cadged meals at their table to the telegram the famous couple once sent to a movie mogul turning down a studio contract worth a fortune We can be bought my dear Mr Laemmle but we can't be bored We follow the Lunts through triumphs in plays such as *The Guardsman* *The Taming of the Shrew* and *Design for Living* through friendships and feuds through the intricate way they worked with such playwrights and directors as S N Behrman Robert Sherwood Giraudoux Drennatt Peter Brook and with each other Margot Peters captures the gallantry of two remarkably gifted people who lived for their art and for each other Alfred Lunt and Lynn Fontanne were once described as an amazing duet of intelligence and gaiety Margot Peters re creates the fun and the fireworks
