Books in Spanish for Children and Young Adults Isabel Schon,1987 Like its predecessors this book serves as a guide to any adult interested in selecting books in Spanish for children in preschool through high school Most of the books included in the guide have been published since 1984 and come from Argentina Chile Colombia Costa Rica Cuba Dominican Republic Mexico Nicaragua Puerto Rico Spain Sweden the U S Uruguay and Venezuela The author has identified books that highlight the lifestyle folklore history fiction poetry theater and classical literature of Hispanic cultures as expressed by Hispanic authors and has also included nonfiction and bilingual books and Spanish translations of popular fiction and nonfiction With appendices and indexes The Development of Black Theater in America Leslie Catherine Sanders,1989-08-01 In The Development of Black Theater in America Leslie Sanders examines the work of the American black theater's five most productive playwrights Willis Richardson Randolph Edmonds Langston Hughes LeRoi Jones and Ed Bullins Sanders sees the history of black theater as the process of creating a black stage reality while at the same time transforming conventions borrowed from white European culture into forms appropriate to black artists and audiences The author argues that only when these things were accomplished could the aim of black playwrights often articulated as the realistic portrayal of the Negro be fully realized This study also examines the changing nature of the dialogue black playwrights have held with the dominant tradition and how that dialogue has shaped their imaginations Sanders discussion of Richardson Edmonds Hughes Jones and Bullins provides a context for approaching the work of other black playwrights such as James Baldwin Lorraine Hansberry and Owen Dodson And her argument provides a concrete way of understanding how the context of a dominant culture influences the artistic imagination of writers not of that culture who must come to terms with its influences and transform it into a vehicle of their own
