Killing Time and Other Stories Joel Townsley Rogers,2007-11 From THE JURY BOX Jon Breen s critical column in ELLERY QUEEN Mystery Magazine Joel Townsley Rogers Killing Time and Other Stories with introduction and afterword by Alfred Jan Ramble House Six longish pulp stories dating from 1934 to 1947 represent an undervalued writer The title story about a disabled World War II veteran trying to break into mystery writing offers affectionate parody and fair play detection while the magazine version of the classic The Red Right Hand captures its offbeat flavor only slightly less effectively than at full length The outre plots often involve coincidence though not to the fantastical extent of Harry Stephen Keeler whose complete works are offered by Ramble House An indispensable companion is the earlier Rogers collection Night of Horror and Other Stories Ramble House including the much anthologized minor classic The Murderer and a Rogers bibliography compiled by son Tom Rogers expanded by Francis M Nevins And here s what four of America s favorite authors about town have to say about Ramble House s two Joel Townsley Rogers collections NIGHT OF HORROR and KILLING TIME Rogers was the real deal author of a true masterpiece The Red Right Hand and a pulp man who could and did do it all If you want the strong heady thrill of genuine pulp and not the pale imitation that came later latch on to both of these collections immediately Ed Gorman Killing Time collects six pulp novellas by Joel Townsley Rogers including the original version of the classic The Red Right Hand along with a story about a pulp writer and a story with a character named Captain Sparrow whom I like to think is a distant cousin to the famous Pirate of the Caribbean Highly recommended Bill Crider The six tales gathered here are among Joel Townsley Rogers most accomplished pulp magazine contributions of the 30s and 40s cleverly plotted highly atmospheric suspenseful and dripping with menace The original magazine version of his classic crime novel The Red Right Hand and Alfred Jan s insightful analyses of Rogers work are the highlights Killing Time is a must for every connoisseur of vintage crime fiction Bill Pronzini Ramble House has specialized in bringing neglected and sometimes alternative geniuses back into print First came the great Harry Stephen Keeler then the so clever Norman Berrow More recently Ramble House has been sparking the rehabilitation of Joel Townsley Rogers a versatile and prolific author who seemed to be totally forgotten save for one novel The Red Right Hand Killing Time is the second Ramble House collection of Rogers s shorter fiction and every story in it from the 1934 Murder of the Dead Man to the 1947 title story hits with a wallop and a sting Bravo Bravissimo Richard A

Lupoff *The Sixth Sense* Margaret Sutton Briscoe,1899 *The Sand Man and Other Stories* E.T.A. Hoffmann,2025-09-22

The Sand man and Other Stories brings together some of E T A Hoffmann s most influential tales where the fantastic and the uncanny intersect with psychological depth The central story The Sandman follows Nathanael a young man haunted since childhood by a terrifying figure associated with the legend of the Sandman As an adult he becomes obsessed with the mysterious Coppola a lens seller whom he believes to be the same menacing figure His fascination with the automaton Olympia whom he mistakes for a living woman ultimately drives him into madness The story is a powerful exploration of fear obsession and the fragile boundary between illusion and reality Other stories in the collection expand Hoffmann s fascination with the uncanny In Councillor Krespel a violin maker s eccentric behavior masks a tragic secret tied to music and love The Mines of Falun recounts the story of a miner lured by supernatural forces beneath the earth torn between worldly love and mystical destiny Each tale blends detailed realism with fantastic elements creating a constant tension between the rational and the irrational The collection is unified by themes of obsession distorted perception and the power of imagination Hoffmann s characters often lose themselves in dreams desires or delusions suggesting that the human mind is as mysterious and unpredictable as the supernatural itself His narrative style both ironic and lyrical invites readers into a world where reality is never stable and where everyday objects or events conceal hidden dangers and meanings E T A Hoffmann 1776 1822 was a German writer composer and jurist recognized as one of the founders of modern fantastic literature His works influenced later authors such as Edgar Allan Poe Charles Dickens and Franz Kafka In *The Sandman and Other Stories* Hoffmann demonstrates his mastery in blending psychological insight with Gothic and Romantic elements leaving a legacy of tales that continue to intrigue readers with their complexity and unsettling power *Bulgarian Bruises, Bloodgate and Other Stories* Will Greenwood,2013-05-23 In his almost 20 years in the sport Will Greenwood has achieved just about everything a professional rugby player could ever aspire to playing an integral role in the World Cup winning campaign of 2003 and achieving great things with England beyond that at the Six Nations and on tour with the Lions Never was a man better placed to write on the sport From the grassroots to elite professionalism Greenwood has made his name as the face of intelligent and entertaining rugby writing and punditry From hilarious character sketches of players to technical discussion of scrummaging and World Cup reminiscences Greenwood delivers unrivalled writing on rugby that takes the reader to the heart of the game

Sixth Sense And Other Stories Introduction

In today's digital age, the availability of Sixth Sense And Other Stories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sixth Sense And Other Stories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sixth Sense And Other Stories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sixth Sense And Other Stories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sixth Sense And Other Stories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sixth Sense And Other Stories books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Sixth Sense And Other Stories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sixth Sense And Other Stories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sixth Sense And Other Stories books and manuals for download and embark on your journey of knowledge?
