Duhaime Michael A Hitt and Marjorie A Lyles bring together an exceptional group of scholars to explore topics such as corporate strategy strategic entrepreneurship cooperative strategies global strategy strategic leadership governance innovation strategy process and strategy practice and strategic human capital **Strategic Management** Sushil, Sanjay Dhir, 2024-09-25 This book emphasizes the concepts of strategic innovation and entrepreneurship which are quite prevalent in today's organizations. Going beyond traditional approach that follows strategic analysis choice and implementation framework and traditional theories based on industrial organization paradigm and resource based view the book considers current business environment which is volatile uncertain complex chaotic conflicting and ambiguous VUCA. It takes the strategic flexibility view to cope with these strategic challenges. The book introduces the subject matter of strategic management in retrospect and prospect highlighting critical theories of strategic management. It uses a strategic learning framework rather than a purely analytical approach to dynamically learn about the external situation internal resources and capabilities. The evolution of strategy is given in terms of generic strategies in practice and adaptation in specific contexts. It further deals with essential topics such as strategic alliances and networks mergers and acquisitions and global strategy. It then provides the execution framework and models covering restructuring leadership corporate governance and change management. The strategy in specific areas such as strategic technology management e business and knowledge management and functional strategies and policies are discussed to understand the implementation depth. Finally it touches upon contemporary issues such as sustainable enterprise stakeholder perspectives and comparative strategies in various contexts. It then outlines future directions of strategic management. In the end case analysis guidelines are provided with sample cases from different parts of the world. The book also used interpretive and simulation methods such as system dynamics and total interpretive structural modeling to grasp the relationships and their dynamic impact provided throughout the book. It will be an invaluable resource for researchers of business strategy as well as students studying these courses it will also be useful for industry practitioners corporates and business policy makers **STRATEGIC MANAGEMENT** MILIND T.

PHADTARE, 2010-10-04 Primarily intended for the postgraduate students of commerce and management this compact text covers all the topics prescribed in almost all universities and autonomous institutes in India. Each concept is explained with the help of many real life examples from the Indian context. Considering the fact that the understanding of the concept of strategic intent is prerequisite to the understanding of strategic management the chapter on strategic intent is included which brings out the differences between various elements of strategic intent. It also covers the current happenings in the businesses from the Indian context. Similarly a topic on strategic choice has been discussed at length because of the fact that BCG growth share matrix and GE nine cell matrix are extremely useful in making a strategic decision in real life. Besides the book contains ten case studies on various topics of strategic management such as environmental appraisal critical success factors SWOT analysis strategic intent strategic choice business level strategy formulation and choice of growth strategy. All

these cases are provided with authentic industry specific data Firms are chosen from different businesses thereby giving business specific flavour and a broad understanding of various business domains
