Strategic Planning Systems:

Strategic Planning and Management Control John C. Camillus, 1986 Strategic Planning George A. Steiner, 2008-06-30

In today's complex business world strategic planning is indispensable to achieving superior management. George A. Steiner's classic work known as the bible of business planning provides practical advice for organizing the planning system, acquiring and using information, and translating strategic plans into decisive action. An invaluable resource for top and middle level executives, Strategic Planning continues to be the foremost guide to this vital area of business management.
