Strategies For Successful Writing Rhetoric Research:

Strategies for Successful Writing James A. Reinking, Robert Von der Osten, 2017-01-25 For first year courses in Composition Rhetoric This version of Strategies for Successful Writing A Rhetoric Research Guide Reader and Handbook has been updated to reflect the 8th Edition of the MLA Handbook April 2016 A four in one guide for writing in the modes a rhetoric research guide reader and handbook At every step of the writing process Strategies for Successful Writing supports students as they learn to compose in the rhetorical modes Over 100 short examples demonstrate writing concepts and strategies so that they can recognize them more easily in the longer reading selections and apply them in their own compositions Instruction is kept brief and to the point so that students spend more time writing and less time reading about writing Perfect for those seeking support for participating in academic discourse for the first time this four in one guide may be the only text students will need for the composition course The 8th Edition introduces sweeping changes to the philosophy and details of MLA works cited entries Responding to the increasing mobility of texts MLA now encourages writers to focus on the process of crafting the citation beginning with the same questions for any source These changes then align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule following

Strategies for Successful Writing James A. Reinking, Robert Von Der Osten, 2006-12 Now in its eighth edition the authors of Strategies for Successful Writing a Rhetoric Research Guide Reader and Handbook have strived to achieve the same steadfast goals that have motivated them from the beginning create a rhetorically organized writing guide that combines four books into one convenient and flexible teaching tool while offering students an exceptional value By having at their disposal a comprehensive textbook that offers ample material for a full year composition course instructors teaching a one term course can make various selections from Chapters 1-17 from whatever types of specialized writing suits the needs of their students and from the appropriate essays in the reader As well because the authors believe strongly that an effective composition textbook should address students directly they've aimed for a conversational yet clear style that invites students into the book lessens their apprehensions about writing and provides a model for their own prose This style complements the authors' strong student based approach to writing and together they help create a text that genuinely meets student needs
