Strategy and Tactics of Pricing Thomas T. Nagle,2010 **Pricing Strategies** Robert M. Schindler,2011-10-11 The primary theme of Pricing Strategies is that pricing should be guided by the marketing concept which indicates that success is achieved through a focus on the needs and sensitivities of the customer This customer focus theme is evident throughout the text The author helps to overcome the mathematical anxieties of students with an intuitive approach to understanding basic pricing concepts and presents mathematical techniques as simply more detailed specifications of these concepts Provided by publisher Pricing: The key to profitability Nicolás Restrepo Abad,2025-05-19 There is a short questionnaire used to determine whether a company needs help with its pricing strategy Curiously every company that has completed it has answered yes to at least one of the questions Is your company in the middle of a price war Do you feel your customers only buy when your products or services are on promotion Do you set prices based solely on your costs and your competitors prices Do you feel like a victim of tough customers who always want to negotiate better prices and discounts Do you feel you re failing to capture the full value your products or services offer In Pricing The key to profitability the concepts needed to design and implement a complete profit focused pricing strategy are presented in a clear and practical way Each topic is explained through real world examples of companies selling both products and services in consumer and industrial markets alike Nicol s Restrepo has succeeded with this book in presenting price from a strategic and marketing oriented perspective very different from the
