

Stratford Mosaic

John P. Cavanagh

Stratford Mosaic:

Stratford Mosaic... Gerald Jaggard, 1960 **Masques, Mayings and Music-dramas** Roger Savage, 2014

Masques Mayings and Music Dramas comprises a sequence of in depth case studies of significant aspects of early twentieth century English music theatre. Vaughan Williams forms a central thread in this discussion and Stratford upon Avon serves as a geographical focus point for mediating conflicting visions of an English musical tradition. But the reach of the book is much wider, shedding new light on English Wagnerism at Glastonbury especially and on the reception of Wagner's ideas as a point of emulation and resistance. No less significant is the discussion of Purcell and the seventeenth century masque, one of the primary sources for re-imagining an English dramatic tradition and the more familiar images of the May festival, the Mummers play and the pageant play which are tellingly re-contextualised. The book also looks at the associations between Vaughan Williams, the theatre artist Edward Gordon Craig and the impresario Serge Diaghilev. The sequence is framed by the image of the pilgrim-vagabond, Vaughan Williams's setting of the poetry of Matthew Arnold and Robert Louis Stevenson as a metaphor and paradigm for his creative career and personal progress. The book not only sheds light on the activities and ambitions of principal agents but also illuminates a particularly dynamic moment in the re-emergence of a distinctively English music-theatrical practice, one especially concerned with calling on aspects of the past to help to secure a worthwhile future. Notions of Englishness turn out to be less insular than sometimes thought and the idea of a musical renaissance more complex when the case studies are understood in their proper historical context. Scholars and students of twentieth century English music theatre and opera will find this volume indispensable. Roger Savage is Honorary Fellow in English Literature at the University of Edinburgh. He has published widely on theatre and its interface with music from the baroque to the twentieth century in leading journals and books.

Old-House Journal, 2002-09. Old House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years our mission has been to help old house owners repair, restore, update and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews and homeowner stories, all in a trusted, authoritative voice.

Shakespeare's Fascist Followers Richard Wilson, 2025-08-21

Richard Wilson's meticulously researched, powerfully argued and brilliantly written account of Shakespeare's 20th century fascist followers is not just an important but a genuinely essential book. Robert Shaughnessy, Guildford School of Acting, UK. In this illuminating book, Richard Wilson demonstrates how in the 20th century Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author. Wilson argues that the version of Shakespeare this caricature produced, authoritarian, jingoistic, racially intolerant, misogynistic, was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America, while noting striking cases of the same bias in Germany and France. Some of the names this book focuses on will surprise many of the right-wing political views or leanings of the prominent figures discussed have

been left unexplored or ignored from A K Chesterton who was both editor of the British Union of Fascists newspaper Blackshirt and former manager of press and publicity at the Shakespeare Memorial Theatre to celebrated Shakespeareans such as G Wilson Knight and writers artists and theatre practitioners including W B Yeats T S Eliot Edward Gordon Craig and Marshall McLuhan At a time when democracy is under threat populism is on the rise and far right views are increasingly prominent in our political discourse Richard Wilson s book makes an especially vital contribution to Shakespeare scholarship

Building ,1908 **The Boys of Shakespeare's School in the First World War** Richard Pearson,2010-04-27 Like many young men of the time the boys of King Edward VI School saw the outbreak of the First World War as an opportunity for bravery and excitement By the time the Armistice was signed in late 1918 thirty one old boys and one Master had been killed For such a small grammar school the cost was significant as too were the number of awards for gallantry including a Victoria Cross Set against Stratford upon Avon and the boys schooldays this intriguing book details the boys war and their involvement in the major battles on the Western Front in Italy Salonika Macedonia Gallipoli Bulgaria and Russia Ultimately a tragic and moving account it captures the heart of a small community and represents the sense of adventure with which young men went to war **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *British Theatre* John P. Cavanagh,1989 *Good Beer Guide 2019* Campaign for Real Ale,2018-09-30 CAMRA s Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale Now in its 46th edition the guide is completely independent with listings based entirely on evaluation and nomination by CAMRA members The unique Breweries section contains a full listing of Britain s breweries from national to micro with information about their core beers
