Stravinsky The Composer And His Works

Igor Stravinsky, Robert Craft

Stravinsky The Composer And His Works:

Stravinsky Eric Walter White,1984 In the second edition of the definitive account of Igor Stravinsky s life and work arranged in two separate sections Eric Walter White revised the whole book completing the biographical section by taking it up to Stravinsky s death in 1971 To the list of works the author added some early pieces that have recently come to light as well as the late compositions including the Requiem Canticles and The Owl and the Pussycat Four more of Stravinsky s own writings appear in the Appendices and there are several important additions to the bibliography

Stravinsky Eric Walter White,1969 **Stravinsky, the Composer and His Works** Eric Walter White,1979 In the second edition of the definitive account of Stravinsky s life and work arranged in two separate sections the author revised the whole book completing the biographical section by taking it up to Stravinsky s death in 1971 To the list of works the author added some early pieces that have recently come to light as well as the late compositions including the Requiem Canticles and The Owl and the Pussycat Four more of Stravinsky s own writings appear in the Appendices and there are several important additions to the bibliography

Stravinsky Eric Walter White,1969 An Autobiography Igor Stravinsky,1998 Stravinsky reflects upon episodes in his life as a composer and performer

Memories and Commentaries Igor Stravinsky,Robert Craft,1981-01-01 For the first time in one volume the celebrated Stravinsky and Craft Conversations Few would dispute that Igor Stravinsky was the greatest composer of the twentieth century Conductor and writer Robert Craft was his closest colleague and friend and for over twenty one years he lived with the Stravinskys in their Hollywood home In the early 1950s he accompanied the composer on his concert tours and from the mid 1950s to Stravinsky s death in 1971 he co conducted his concerts Together Stravinsky and Craft published five acclaimed collections known as the Conversations series which sprung from informal talks between the two men In this newly edited and re structured one volume version Craft brings Stravinsky s reflections on his childhood his family life professional associates and personal relationships into sharper focus and places the major compositions in their cultural milieu The Conversations books are the only published writing attributed to Stravinsky that are actually by him in terms of fidelity to his thoughts and opinions making this volume required reading for all fans and students of Stravinsky s music

Expositions and Developments Igor Stravinsky,Robert Craft,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962

Themes and Conclusions Igor Stravinsky,1982 This is the final volume in the legendary series of Stravinsky s conversations with Robert Craft In his foreword dated March 1971 shortly before his death Stravinsky wrote of his final work of words They are hardly the last words about myself or my music that I would like to have written and in fact they say almost nothing about the latter except tangentially in comments on Beethoven It is almost five years now since I have

completed an original composition a time during which I have had to transform myself from a composer to a listener The vacuum which this left has not been filled but I have been able to live with it thanks in the largest measure to the music of Beethoven It is certain now that I will not be granted powers such as have recently enable Casals to publish a book at an age six years greater than mine But I am thankful that I can listen to and love the music of other men in a way I could not do when I was composing my own Although Stravinsky may have written nothing new about his music in his last years this book collects together a number of his programme notes about his own works among them the Symphonies of Wind Instruments and Jeu de Carte and there are waspish letters to the press wide ranging interviews prefaces and reviews and a whole section entitled Squibs Readers who enjoyed the earlier volumes of recollections will find this final volume equally enlightening diverting and enriching This unique series of memories is essential reading for all students and lovers of Stravinsky

Stravinsky and the Russian Traditions, Volume Two Richard Taruskin, 2016-04-27 This book undoes 50 years of mythmaking about Stravinsky s life in music During his spectacular career Igor Stravinsky underplayed his Russian past in favor of a European cosmopolitanism Richard Taruskin has refused to take the composer at his word In this long awaited study he defines Stravinsky s relationship to the musical and artistic traditions of his native land and gives us a dramatically new picture of one of the major figures in the history of music Taruskin draws directly on newly accessible archives and on a wealth of Russian documents In Volume One he sets the historical scene the St Petersburg musical press the arts journals and the writings of anthropologists folklorists philosophers and poets Volume Two addresses the masterpieces of Stravinsky s early maturity Petrushka The Rite of Spring and Les Noces Taruskin investigates the composer s collaborations with Diaghilev to illuminate the relationship between folklore and modernity He elucidates the Silver Age ideal of neonationalism the professional appropriation of motifs and style characteristics from folk art and how Stravinsky realized this ideal in his music Taruskin demonstrates how Stravinsky achieved his modernist technique by combining what was most characteristically Russian in his musical training with stylistic elements abstracted from Russian folklore The stylistic synthesis thus achieved formed Stravinsky as a composer for life whatever the aesthetic allegiances he later professed Written with Taruskin s characteristic mixture of in depth research and stylistic verve this book will be mandatory reading for all those seriously interested in the life and work of Stravinsky

Igor Stravinsky, an Autobiography Igor Stravinsky, 1992-10-01 Bonded Leather binding
