Dream with Your Eyes Open S.G. Cao,2019-02-19 In most cases the higher something costs the more value and importance people put on an item like a house a car a computer a cell phone or in this case a book If I were the one to determine the sales price of my book I would sell it for at least 85 to 110 to limit the number of people from reading my book The reason is that people mostly likely will value an expensive book more than a book that is less than 25 Unfortunately I am not in the position to decide the selling price of my book To be honest I actually don t need too many people to read my book so that it is not saturated and people who read my book will appreciate the knowledge that they receive from my book Regardless whether people value the importance of my book or not as far as I am concerned the knowledge that I have written down is the backbone and the essence of my well being today I would not have the strength or stamina to write this book without the knowledge that I have It enables me to go on with my life I am more energetic and more productive now than I was before I want to see people live a life full of vitality and energy Did you ever find yourself lacking the drive strength and stamina to continue your day in the past Do you want to get the fire energy power and enjoyment back in your life If you do you have come to the right place You have the energy and the potential in you You just don t know it yet Once you receive the knowledge you will know it for the rest of your life

When the Kingdom Comes Harry M. Phillips,2018-05-15 The return of Jesus and the coming of his kingdom will mark a pivotal point in human history For Christians it will also mark the beginning of their immortality Here in

this book lie the answers to the question of what we will be doing for the first one thousand years of our eternal existence You are invited to take a personal journey and discover your destiny and first steps into that future not in heaven but here on the earth with Jesus during his millennial reign When the Kingdom Comes is the first book to thoughtfully and accurately detail the future of Christians commencing with the Rapture and ending with the consummation of the Millennial Kingdom It brings into sharp focus three things the beginning of eternity for the believer the continuation of humanity and its history and the actual physical presence of Jesus for one thousand years All three of these things are related through Scripture as happening in connection with the earth For most Christians the idea of eternity brings with it the anticipation of heaven and its unimaginable wonder Just as the church age was an unforeseen event to the disciples of Jesus so too the reality of the millennial kingdom seems to be an inconsequential if not unforeseen event for Christians today By starting with common conceptions and sometimes misconceptions of heaven the reader is presented with a careful and thoughtful challenge from Scripture about his or her assumptions of eternity in contrast to our place in Jesus s kingdom on earth In this way a wonderful and mysterious door is opened not unlike Dorothy stepping into the land of Oz as the realities of the kingdom of Jesus and the believer s likely experiences in it are brought to light
