Strength of a Black Man PhD Walter McCollum, McCollum R. PhD, 2005 Dr Walter Ray McCollum is a Senior Management Consultant where he provides clients with organizational performance and transformation options to improve effectiveness and efficiency He also employs organizational capabilities to include operational design leadership and team development business process re engineering knowledge management workload analysis change management holistic analysis collaborative systems enterprise integration human factors strategic alignment and performance measurement He is the founder and President of the Walter McCollum Scholarship Foundation where his vision is to continue contributing to society through the establishment of scholarship and youth enrichment programs Dr McCollum s educational accomplishments include AAS in Business Management Dabney S Lancaster Community College Clifton Forge Virginia BS in Psychology University of the State of New York Albany New York MA in Management Webster University St Louis Missouri and PhD in Applied Management and Decision Sciences with a specialization in Leadership and Organizational Change The inspiration to write this book was the finale of a lengthy healing process Growing up for me consisted of a life surrounded by vices which could cause a man to become powerless I remember relying on the Serenity Prayer God grant me the Serenity to accept the things I cannot change Courage to change the things I can and Wisdom to know the difference The power of prayer is an awesome thing Through prayer I was given serenity courage and wisdom Serenity helped me stand still and allow God to fight the battles for me as I was only a child and was not equipped Courage helped me to break the cycles and provided me with determination to beat the odds Wisdom helped me understand that the cards I was dealt in life are required ingredients for me to become self empowered In 2004 God revealed to me that my purpose in life is to impact social change on a macro level particularly with African American males I have realized through mentoring African American males that the same vices that surrounded me two decades ago still exist in their lives I am obligated through my purpose in life to represent the survival growth and successes of black men who by defeating the odds are as a result changing the odds I pray that this book is received as a fundamental tool to help move African American males towards Self Empowerment If one person s life is changed through the message in this book social change has been impacted Strength of a Black Man: Destined for Self-Empowerment Walter R. McCollum, Walter R McCollum, Dr, 2000-09 Entrepreneurship and Self-Help among Black Americans John Sibley Butler, 2012-02-01 Since its publication in 1991 Entrepreneurship and Self Help among Black Americans has become a classic work influencing the study of entrepreneurship and more importantly revitalizing a research tradition that places new ventures at the very center of success for black Americans This revised edition updates and enhances the work by bringing it into the twenty first century John Sibley Butler traces the development of black enterprises and other community organizations among black Americans from before the Civil War to the present He compares these efforts to other strong traditions of self help among groups such as Japanese Americans Jewish Americans

Greek Americans and exciting new research on the Amish and the Pakistani He also explores how higher education is already a valued tradition among black self help groups such that today their offspring are more likely to be third and fourth generation college graduates Butler effectively challenges the myth that nothing can be done to salvage America's underclass without a massive infusion of public dollars and offers a fresh perspective on those community based organizations and individuals who act to solve local social and economic problems **The African American Urban**

Male's Journey to Success Mead Goedert, 2016-06-14 *The African American Urban Male's Journey to Success* Psychoanalytic Perspectives on Race Gender and Social Class is an exploration of the interconnected nature of psychodynamics and social factors especially in relation to experiences with success Goedert uses a psychoanalytic lens to examine the roles of race gender and social class in the experiences of five professional African American men who transcended their origins in urban poverty Through rich quotes and depictions this book thematically explores the commonalities between each of their interpersonal and intrapsychic experiences and provides implications for future research policy and practice Recommended for scholars of psychology sociology social work race studies and gender studies

Black Women and Popular Culture VaNatta S. Ford, Adria Y. Goldman, Alexa A. Harris, Natasha R. Howard, 2014-07-30 With the emergence of popular culture phenomena such as reality television blogging and social networking sites it is important to examine the representation of Black women and the potential implications of those images messages and roles *Black Women and Popular Culture: The Conversation Continues* provides such a comprehensive analysis Using an array of theoretical frameworks and methodologies this collection features cutting edge research from scholars interested in the relationship among media society perceptions and Black women The uniqueness of this book is that it serves as a compilation of hot topics including ABC's *Scandal* Beyoncé's Visual Album and Oprah's Instagram page Other themes have roots in reality television film and hip hop as well as issues of gender politics domestic violence and colorism The discussion also extends to the presentation and inclusion of Black women in advertising print and digital media Meaning-Making, Internalized

Racism, and African American Identity Jas M. Sullivan, William E. Cross Jr., 2016-09-07 Focusing on the broad range of attitudes Black people employ to make sense of their Blackness this volume offers the latest research on racial identity The first section explores meaning making or the importance of holding one type of racial cultural identity as compared to another It looks at a wide range of topics including stereotypes spirituality appearance gender and intersectionalities masculinity and more The second section examines the different expressions of internalized racism that arise when the pressure of oppression is too great and includes such topics as identity orientations self esteem colorism and linked fate Grounded in psychology the research presented here makes the case for understanding Black identity as wide ranging in content subject to multiple interpretations and linked to both positive mental health as well as varied forms of internalized racism The Womanist Reader Layli Phillips, 2006-09-19 Comprehensive in its coverage *The Womanist Reader* is the first

volume to anthologize the major works of womanist scholarship Charting the course of womanist theory from its genesis as Alice Walker's African American feminism through Chikwenye Okonjo Ogunyemi's African womanism and Clenora Hudson Weems's African womanism to its present day expression as a global anti oppressionist perspective rooted in the praxis of everyday women of color this interdisciplinary reader traces the rich and diverse history of a quarter century of womanist thought Featuring selections from over a dozen disciplines by top womanist scholars from around the world plus several critiques of womanism an extensive bibliography of womanist sources and the first ever systematic treatment of womanist thought on its own terms Layli Phillips has assembled a unique and groundbreaking compilation
