

STRIKE COMMANDO 2

Strike Commando

Jeremy Krikler

Strike Commando:

White Rising Jeremy Krikler, 2005-10-20 Racial murder and rebellion lie at the heart of this book. It focuses on South Africa's Rand Revolt of 1922 when Johannesburg and its surrounding towns were wracked by industrial strife, racial violence and insurrection. White workers rose against their employers and the State; black people were hunted through the streets and strikers launched an onslaught upon police and the army. Krikler recreates this world of intense conflict and analyses the sources and complex nature of its extreme passions. The book suggests novel ways of looking at racial identity and violence and breaks new ground in other areas: for example, in its assessment of the impact of the First World War on labour movements and in its exploration of the significance of female violence during the upheaval. Written with a determination to explore deeper meanings, the book has wide implications for our understanding of race and class in South Africa and elsewhere. It also offers a most vivid portrayal of a rebellion with all its cruelty, heroism, drama and pathos. **BOOK JACKET**

'80s Action Movies on the Cheap Daniel R. Budnik, 2017-03-21 The 1980s was the decade when the action film, as it is now known, came into being. Nonstop big budget excitement became the standard as epic adventures like *Raiders of the Lost Ark* and *The Road Warrior* set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger and Chuck Norris. Homages and ripoffs made with lesser budgets followed every hit, especially with the advent of direct to video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity and sheer weirdness of 80s low budget action cinema, from the American Ninja series to dime a dozen barbarian pictures to such bargain basement productions as *The Courier of Death*, *Kill Squad* and *Samurai Cop*.

The Outbreak on the Witwatersrand, March, 1922 William Urquhart, 1922 Fires of Hatred Norman M. Naimark, 2002-09-19 Traces the history of ethnic cleansing and its relationship to genocide and population transfer, illustrating why the practice has grown in incidence in the twentieth century as modern states and societies continue to organize themselves by ethnic criteria. *Report of the Martial Law Inquiry*

Judicial Commission South Africa. Martial Law Inquiry Judicial Commission, 1922 **Wag the Dog** Larry Beinhart, 2009-04-29 Once upon a time there was a mean dying GOP chairman who had a brilliant scheme to assure that his man would retain the office of president of the United States of America. And the only man who could pull off this elaborate plan was a celebrated Hollywood director. Add to the mix a left coast gumshoe named Broz who is trapped among cover ups, undercover work and his own morality; a cast of bicoastal desperate characters and the stage is set for a powerful D C L A production. From Edgar award winning author Larry Beinhart, *Wag the Dog* was the most brilliant political satire of the last decade. It was made into a classic film by Barry Levinson and fortunately is now back in print. **Spoilt Ballots** Matthew Blackman, Nick Dall, 2022-02-01 If you paid even a moment's attention during high school history class, you probably know that 1910 brought about the Union of South Africa, that the 1948 general election ushered in apartheid and that the Rainbow Nation was born when Madiba triumphed in the country's first democratic elections in 1994. *Spoilt Ballots* dishes the dirt on

these pivotal turning points in our history But it also sheds light on a dozen lesser known contests starting with the assassination of King Shaka in 1828 and ending with the anointing of King Cyril at Nasrec in 2017 Spoilt Ballots dishes the dirt on these pivotal turning points in our history But it also sheds light on a dozen lesser known contests starting with the assassination of King Shaka in 1828 and ending with the anointing of King Cyril at Nasrec in 2017 Spoilt Ballots is as much about the people who voted in some of our most decisive elections as it is about those who didn't even get the chance to make their mark It explains why a black man in the Cape had more political rights in 1854 than at any other point in the ensuing 140 years and how the enfranchisement of women in 1930 was actually a step back for democracy The book will leave you wondering if Oom Paul Kruger's seriously dicey win in the 1893 ZAR election might have paved the way for the Boer War and whether Slim Jannie Smuts really was that slim after all It'll explain how the Nats managed to get millions of English speakers to vote for apartheid and why the Groot Krokodil's attempt to co-opt coloureds and Indians into the system backfired spectacularly Entertaining and impeccably researched Spoilt Ballots lifts the lid on 200 years of electoral dysfunction in our beloved and benighted nation

Wrestling with God Steven T. Katz, Shlomo Biderman, Gershon Greenberg, 2007-01-04 This volume presents a wide ranging selection of Jewish theological responses to the Holocaust It will be the most complete anthology of its sort bringing together for the first time 1 a large sample of ultra orthodox writings translated from the Hebrew and Yiddish 2 a substantial selection of essays by Israeli authors also translated from the Hebrew 3 a broad sampling of works written in English by American and European authors These diverse selections represent virtually every significant theological position that has been articulated by a Jewish thinker in response to the Holocaust Included are rarely studied responses that were written while the Holocaust was happening
