Terror And Civilization Christianity Politics And The Western Psyche:

Terror and Civilization S. Drury, 2004-01-16 Drury regards the political problems of the modern world to be thoroughly Biblical In the politics of the Twenty first century we find two equally arrogant and self righteous civilizations confronting one another Each is convinced that it is on the side of God truth and justice while its enemy is allied with Satan wickedness and barbarism The language of diplomacy and compromise has been replaced by the language of jihad or the struggle against the cosmic forces of evil Life is radicalized and all choices are polarized Politics properly understood is eclipsed Drury urges us to transcend the Biblical view of the world Instead she argues in favour of a genuinely liberal secular and pluralistic understanding of politics

Civilizational Identity M. Hall, P. Jackson, 2008-01-11 This volume focuses on the constitutive politics of civilizational identity examining the practices through which notions of civilizational identity are produced and reproduced in different contexts including the global credit regime modernity debates and the war on terrorism

Born Bad James Boyce, 2016-04-21 According to the doctrine of original sin all humans are born bad and only God's grace can bring salvation James Boyce shows how these ideas have shaped the Western view of human nature and how the belief that we are all innately sinful retains a firm grip on Western consciousness and culture even in the writings of avowed atheists such as Marx and Freud Born Bad traces a fascinating journey from Adam and Eve all the way to Adam Smith and Richard Dawkins in this sweeping story of a controversial idea and its remarkable influence

Weaponizing Civilizationalism for Authoritarianism Ihsan Yilmaz, Nicholas Morieson, 2025-05-15 This book based on a systematic analysis of leaders speeches examines how regimes in Turkey India Russia and China strategically weaponize the concept of civilization along with emotional appeals such as pride fear and nostalgia to challenge global liberal democratic norms As the influence of liberal democracy wanes these nations increasingly declare themselves civilization states By redefining national identity to include peoples living in foreign countries justifying belligerence abroad and reinforcing anti democratic practices domestically these regimes position themselves as guardians of transnational peoples with distinctive civilizational values This is the first book to systematically explore how and why these states leverage civilization and emotional manipulation to reshape both domestic politics and international relations

War and Law in the Islamic World Matthias Vanhullebusch, 2015-06-05 A three part investigation on the origins and evolving roles that Islamic law and international humanitarian law have played in regulating conflict and violence War and Law in the Islamic World brings to light legal and policy complexities that plague modern day armed conflict in the region

FINDING INFINITE GOD in JEWISH-CHRISTIAN DIALOGUE Vivian Anne Scarnati Scott, 2025-02-11 A Virtuous Path to GOD FINDING INFINITE GOD IN JEWISH CHRISTIAN DIALOGUE Behold I am the LORD the GOD of all flesh Is anything too wondrous for Me Jeremiah Nevi im Prophets 32 27 The thought provoking ageless question above from GOD also answers every age of humanity Now in the third decade of our twenty first Century today's expanding communication marvels while accelerating to future

enterprises often become mindfully absent of the Godly source driving their intellectual capacity Jewish Christian interreligious dialogue travels those same highways of mind although at times hampered by prejudice depravity and indifference This theological work argues and advocates a best position for successful dialogue between two faiths grappling with the grave injustices and blood stained persecutions of an incomprehensible unconscionable history that can only be resolved by GOD In recounting horrific facts from Holocaust Inquisition and other atrocities marring the beautiful life GOD intended these events had occurred even after meaningful Divine Prophetic Word warned of grave outcomes And in consequence GOD s omnipotence in rescuing His people is evidenced throughout history Somehow evil never prevailed The Scriptures remind us to seek and trust our loving Creator Who has faithfully kept His Covenants beyond space and time Such Divine reminders seed hope and fortitude to guard our rights and religion in this embattled world struggling against politically spate doctrines and limited laws failing race and freedom Tragically even in our new century massacres and mayhem borne out of evil persist afflicting our Churches Synagogues and homes Still while at times disharmony quells the joy of living there is no greater force or wonder than Infinite GOD Success in Jewish Christian dialogue just as good deeds for interfaith relations requires abiding respect for fellow humanity and a loving non discriminating heart GOD s markers and signposts all lead to purposeful truth the trilateral pure virtuous and charitable road is the only way beyond an otherwise dark impious world into a luminous one a realm where humanity may share joyful dialogue and divinely planned spiritual destiny Ageless immutable Ten Commandments from GOD forged with basic precepts unchanged and following His first nurturing Seven Noahide Laws ground and inspire what religious scholars consider for valid communication essential for interreligious dialogue Remarkably the Noahide Laws were defined as the bedrock of society by a Joint Resolution of the U S Congress on March 21 1991 see Preface section on The Rainbow Covenant GOD s sacred scriptural truths proclaimed by His prophets are resounded by heavenly minded theologians qualified to teach His Word The researched testimonial criteria given within this work yield beneficial recommendations for a best heavenly directed path for finding GOD in harmonious dialogue Six eminent contemporary theologians interviewed herein assembled equally from Jewish and Christian communities are joined with a renowned hierarchy of blessing and inspiration who nobly illuminate the way These virtuous champions who profess GOD s eternal truth while valiantly identifying winding disparities and dissidence contrary to His intended Plan acknowledge and communicate in their own humble and human understanding that indeed nothing is too wondrous for GOD

Our Faith in Evil Gregory Desilet, 2005-12-02 Is violence in American cinema a reflection of life Or does life imitate the violence people see in cinema One of the pressing questions in today s society is whether fictional portrayals of violence have social or psychological consequences Studies have concluded with both yes and no verdicts Is America a culture of violence Why does violence horror and melodrama appeal to people This book explores these issues with primary focus on entertainment especially film through lenses of the media the consumer and the cultural backdrop The film

A Clockwork Orange allegedly spawned so much violence in the United Kingdom that director Stanley Kubrick was rumored to have fled with his family to avoid a death threat. From that classic case, the author takes readers through a study of media and violence that examines the structure of horror, the origin and nature of evil, the Greek mythic tradition, melodrama, and catharsis, fairy tales, comic books, video games, and real horror. In part two, the author offers case studies in several genres: westerns, multi-melodrama, The Silence of the Lambs, slasher films, psycho-drama, serials such as Star Wars and Harry Potter, apocalyptic melodrama, modern and postmodern noir, creature features, and religious melodrama. In-text citations are included, and two notes expand on a couple of issues in the text: the perspectives of Plato and Aristotle on the effects of tragic drama and discussion of differences of opinion relating to methodological approach.

Before and After 9/11 Tom Rockmore, 2011-04-21 This clearly written and accessible work presents a philosopher's response to the series of events known as 9/11 and the global culture in the United States and global society that followed. It provides a comprehensive analysis of the emerging post-9/11 culture, situating it in a broad context that includes politics, religious discourse, economic theory, and philosophical orientation. Before and After 9/11 reconstructs the events that led to and departed from the attacks on September 11, 2001. It criticizes the attempts to explain 9/11 by George W. Bush, his administration's neo-conservatives, Samuel Huntington, and Bernard Lewis. It also pays particular attention to the importance of the economic dimension in the emergence of conflicts in an age of globalization. The aim is to provide a philosophical overview of 9/11 understood as a series of connected events within an ongoing historical context. This unique work will appeal to anyone seeking to understand the current world, including the ongoing wars in Iraq and Afghanistan.

Radical Intellectuals and the Subversion of Progressive Politics Michael J. Thompson, Gregory Smulewicz-Zucker, 2015-09-09 Radical Intellectuals and the Subversion of Progressive Politics is a challenge to contemporary radical politics and political thought. This collection of essays critiques the dominant trends and figures on the left that have distorted the legacy of progressive politics, arguing that they have moved politics away from issues of class and economic power toward a preoccupation with culture and identity. The contributors discuss this new radicalism from the perspective of a more rational form of leftism, capable of reviving interest in a more politically relevant form of politics.

Leo Strauss, Education, and Political Thought J. G. York, Michael A. Peters, 2011-04-22 This collection, by some of the leading scholars of Strauss' work, is the first devoted to Strauss' thought regarding education. It seeks to address his conception of education as it applies to a range of his most important concepts, such as his views on the importance of revelation, his critique of modern democracy, and the importance of modern classical education. This book attempts to maintain traditional scholarly standards in the hope of approaching both Strauss and his work in a dispassionate and objective manner. It contains both biographical as well as scholarly chapters, aimed first and foremost at understanding the corpus of Strauss' work and also his significance as an educational thinker.

Government and Politics of the Contemporary Middle East Tareq Y. Ismael, Jacqueline S. Ismael, 2023-09-18 This exciting new edition of the successful

textbook for students of Middle Eastern politics provides a highly relevant and comprehensive introduction to the complexities of a region in constant flux Combining a thematic framework for examining patterns of politics with individual chapters dedicated to specific countries the book places the very latest developments and long standing issues within an historical context This third edition extends its analysis to post 2015 developments in the region as well as expanding the range of pedagogical features on offer Presenting information in an accessible and inclusive format the book offers Coverage of the historical influence of colonialism and major world powers on the shaping of the modern Middle East A detailed examination of the legacy of Islam Analysis of the political and social aspects of Middle Eastern life including alienation between the state and society poverty and social inequality and ideological crisis and renewal Case studies on countries in the Fertile Crescent Iraq Syria and Lebanon and Israel Palestine the Northern Belt Turkey and Iran and those West and East of the Red Sea Egypt and the members of the Gulf Cooperation Council A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels this new edition has been extensively updated to also become a timely and significant reference for policy makers and any motivated reader Democracy and the Political in Max Weber's Thought Terry Maley,2011-01-01

Max Weber is best known as one of the founders of modern sociology and the author of the Protestant Ethic and the Spirit of Capitalism but he also made important contributions to modern political and democratic theory In Democracy and the Political in Max Weber's Thought Terry Maley explores through a detailed analysis of Weber's writings the intersection of recent work on Weber and on democratic theory bridging the gap between these two rapidly expanding areas of scholarship Maley critically examines how Weber's realist model of democracy defines and constrains the possibilities for democratic agency in modern liberal democracies Maley also looks at how ideas of historical time and memory are constructed in his writings on religion bureaucracy and the social sciences Democracy and the Political in Max Weber's Thought is both an accessible introduction to Weber's political thought and a spirited defense of its continued relevance to debates on democracy **Aquinas and Modernity** Shadia B.

Drury,2008-05-16 In this startling book Drury overturns the long standing reputation of Thomas Aquinas as the most rational exponent of the Christian faith She reveals that Aquinas as one of the most zealous Dominicans Domini Canes or Hounds of the Lord The book contains incisive criticisms of Aquinas's reconciliation of faith and reason his defense of papal supremacy his justification of the Inquisition his insistence on the persecution of Jews and his veneration of celibacy Far from being an antiquarian exercise Drury shows why the study of Aquinas is relevant to the politics of the twenty first century where the primacy of faith over reason has experienced a revival The current pope Benedict XVI relies heavily on Aquinas when prescribing cures for the ills of modernity For Drury religion is as incompatible with political moderation and sobriety in our time as it was in the thirteenth century This is why she defends a secular version of Aquinas's theory of natural law_a theory that he betrayed in favor of what she calls the politics of salvation *Power and Illusion* Phd David W. Wilbur

MD,2010-12-21 My intended audience is anyone who suspects that religion might be about something other than future salvation This manuscript is written for those believing or otherwise who looking at ubiquitous religion find discontinuities in claims and functions and wish to explore further how it shapes our world This manuscript is an effort to describe how religion actually works in practice Introductory Comments and Concerns *The Political Ideas of Leo Strauss, Updated Edition* S. Drury,2006-07-10 Now in paperback this book explores the political thought of Leo Strauss a philosopher most noted for playing a key role in neoconservative thought in America Drury explores Strauss s thought and its role in American politics exposing what she argues are the elitist nearly authoritarian strains within it and those who follow it *God in the Corridors of Power* Michael Ryan,Les Switzer,2009-08-25 God in the Corridors of Power Christian Conservatives the Media and Politics in America is a comprehensive study of Christian conservative power in America s political culture how it was achieved how it is maintained and where it is going It came about in part because of an enduring influence in the school room the seminary and in the pulpit and in part because conservatives are so skilled at using commercial and non commercial media including religious media to disseminate their views to broader audiences Though their power has waxed and waned they continue to be a potent force in public policy today The authors argue that the astonishing electoral successes of Christian conservatives at all levels of national state and local government was made possible by linking political social media and religious interests with an emerging consensus about what constitutes a conservative mindset in American politics Christian conservatives unquestionably have been the most significant component in a coalition of religious conservatives traditionalist conservatives and neoconservatives that has driven the Republican Party now for almost two generations This multifaceted understanding of Christian conservative activists in religion and politics traces the impact Christian conservatives have had on American Christianity as a whole while also examining the limitations imposed on the Christian conservative agenda by American civil religion the Constitution and case law The authors explore women s reproductive rights in the debate over contraception and abortion and gay civil rights in the debate over gay marriage and family rights The debate over intelligent design and evolution is examined in the context of the campaign to transform public school education The run up to the wars in Afghanistan and Iraq is scrutinized against the background of the declared war on terrorism While the conservative religious and secular coalition within the Republican Party began to fragment even before the end of George W Bush s first term in office it remained a powerful force in the 2004 and 2008 elections The book concludes with some thoughts about the impact of Christian conservatives in politics media and religion in the future **The Sign of the Cross** Daniel Rancour-Laferriere,2017-09-08 This book presents a unique effort to create a new understanding of the Christian sign of the cross At its core it traces the conscious and unconscious influence of this visual symbol through time What began as the crucifixion of a Jewish troublemaker in Roman occupied Judea in the first century eventually gave rise to a broad spectrum of readings of the instrument used to accomplish such a punishment a cross The author argues that

Jesus was a provocative grandiose masochist whose suffering and death initially signified redemption for believers. This idea gradually morphed into a Christian sense of freedom to persecute and wage war against non-believers; however, as can be seen in the Crusades wars of the cross, many believers even construed the murder of their savior as a crime perpetrated by the Jews, and this paranoid notion culminated in the mass murder of European Jews under the sign of the Nazi hooked cross Hakenkreuz. Rancour Laferriere's book is expertly written and argued; it will be readable to a large audience because it touches on many areas of controversy, interest, and scholarship. The work is critical but not unfair; it employs psychoanalysis, art history, the study of the symbol of the cross in works of art, religion, and religious texts, and world history generally. The interweaving of these various themes is what gives this work its ability to draw in readers and will ultimately be what keeps the reader interested through the conclusion.

Straussophobia Peter Minowitz, 2009-08-15. Leo Strauss and his students have long been accused of mendacity, elitism, and militarism, but the Iraq War has prompted unprecedented levels of caustic and inaccurate denunciations. Inappropriate criticisms have issued from artists, Tim Robbins, politicians, Ron Paul, journalists, Joe Klein, and even highly lauded scholars such as Arthur Schlesinger Jr., Gordon Wood, Douglas Massey, Stephen Holmes, Anne Norton, Shadia Drury, Sheldon Wolin, John Pocock, John Yolton, Nicholas Xenos, and Brian Leiter. In *Straussophobia*, Peter Minowitz provides a methodical and detailed critique of the major offenders, especially of Drury, who maintains that Strauss established a covert tyranny that would keep the Western world mired in perpetual war. In replying to such charges, and to various authors who belittle Strauss's contributions as a scholar, Minowitz highlights the imaginative yet meticulous manner in which Strauss interpreted Thucydides, Plato, Xenophon, Farabi, Machiavelli, Hobbes, Locke, and Carl Schmitt. *Straussophobia* also provides both a comprehensive assessment of Strauss's 1933 letter that commended fascist authoritarian and imperial principles and a compelling account of Strauss's influence or lack of influence on neoconservative promoters of the Iraq War, e.g., Paul Wolfowitz, Richard Perle, and Lewis Libby. The book likewise breaks new ground in employing diversity discourse to explain and combat the bigotry and buffoonery that pervade attacks against Strauss and Straussians, and in drawing on Strauss to illuminate the distortions that mar some widely used arguments for affirmative action.

The Secular Outlook Paul Cliteur, 2010-09-29. *The Secular Outlook: In Defense of Moral and Political Secularism* shows how people can live together and overcome the challenge of religious terrorism by adopting a secular outlook on life and politics. Shows how secularism can answer the problem of religious terrorism. Provides new perspectives on how religious minorities can be integrated into liberal democracies. Reveals how secularism has gained a new political and moral significance. Also examines such topics as atheism, religious criticism, and free speech.

Omar Khadr, Oh Canada Janice Williamson, 2012-05-01. In 2002, a fifteen-year-old Canadian citizen was captured in Afghanistan for allegedly killing an American soldier. A badly wounded Omar Khadr was transferred to the US Bagram Air Force base and then Guantanamo Bay detention camp. He would remain there without trial until October 2010, when a military commission admitted evidence considered tainted by Canadian

courts A plea bargain and guilty plea initiated his promised return to Canada a year later Some Canadians see Khadr as a symbol of terrorism in action For others he is the victim of a jihadist father and Canadian complicity in the unjust excesses including torture of the US war on terror The youngest prisoner held at Guant namo and the only citizen of a Western country not repatriated Khadr was formally identified by the United Nations as a child soldier In Omar Khadr Oh Canada over thirty contributors analyze Khadr s background his incarceration the actions of Canadian authorities and the implications raised by his legal case This multi genre book includes essays articles poems a play extended excerpts from the documentary film You Don t Like the Truth and other texts produced by distinguished contributors such as Sherene Razack General Rom o Dallaire Charles Foran Kim Echlin Judith Thompson Audrey Macklin Shadia Drury George Elliott Clarke Maher Arar Rick Salutin and Sheema Khan While they sometimes disagree on issues such as radical Islam and Canadian multiculturalism they all write from the conviction that Khadr s treatment has been and continues to be shamefully unjust and shaped by post 9 11 Islamophobia that continues to distort the views of many Canadians Many Canadians are dismayed by the government s behaviour toward Omar Khadr Adding strong and articulate voices to the debate Omar Khadr Oh Canada will educate and inform readers as his story continues to unfold Contributors include Maher Arar human rights activist and journalist Craig Kielburger child labour activist and co founder of Free the Children Foundation George Elliott Clarke poet playwright and English professor at the University of Toronto Luc C t and Patricio Henriquez screenwriters directors cinematographers and producers of the documentary You Don t Like the Truth 4 Days Inside Guant namo LGen Rom o A Dallaire commanded the UN Assistance Mission for Rwanda in 1994 and was appointed to the Senate of Canada in 2005 Gail Davidson executive director Lawyer s Rights Watch Canada Nathalie des Rosiers General Counsel Canadian Civil Liberties Association Robert Diab lawyer and faculty member of Capilano University Alnoor Gova broadcaster and PhD student Simon Fraser University Shadia Drury CRC Chair in Social Justice University of Regina Kim Echlin novelist essayist film producer Dennis Edney former lawyer of Omar Khadr Charles Foran novelist biographer Deborah Gorham history professor Carleton University Yasmin Jiwani associate professor in the department of Communication Studies at Concordia University Hasnain Khan graduate student in political economy of international development at the University of Toronto Andy Knight chair of the department of political science and professor of international relations at the University of Alberta John McCoy PhD candidate in political science at the University of Alberta Sheema Khan Globe Mail columnist and author of Of Hockey Hijabs Audrey Macklin member of the law faculty at the University of Toronto Monia Mazigh human rights activist and author Marina Nemat human rights activist and memoirist author of Prisoner of Tehran and After Tehran Gar Pardy former diplomat commentator and writer served in Canada s foreign service from 1967 to 2003 Sheila Pratt Edmonton Journal journalist and author Sherene Razack professor of Sociology and Equity Studies in Education OISE University of Toronto Rick Salutin author and Toronto Star columnist Heather Spears poet and artist Judith Thompson playwright and professor School of
