Cameron, 1999-04-07 Will the twenty first century see terrorist fingers on the nuclear trigger How likely is it terrorists will obtain weapons of mass destruction What factors would determine their decision to use them Gavin Cameron assesses the causes for and implications of the escalating lethality of terrorism The growing opportunities for nuclear proliferation primarily arising from the collapse of the Soviet Union are explained The book concludes that the organisational and psychological pressures within terrorist groups and the changing nature of political violence combined with the heightened danger of nuclear micro proliferation have made mass destructive terrorism the greatest non traditional threat to international security in the world today *Understanding Suicide Terrorism* Radhika Halder, 2019-09-23 *Understanding Suicide Terrorism* aims to explore the different aspects involved in suicide terrorism for a better understanding of the tactic which has become a global phenomenon and threat today The book aims to help inform holistic policy making by tracing the evolution of the use of suicide as a weapon in conflict and the emergence of modern day suicide terrorism The book uses case studies of prominent terror outfits to have used the tactic rather confidently and consistently and suggests that suicide terrorism must be understood as the interplay of three vital components the individual committing the act the organization employing the tactic and the state environment contributing to the culture of suicide terrorism Subsequently a purely weapons based approach to counter terrorism cannot be relied upon

to solve a threat such as suicide terrorism which is so deeply ingrained in ideology and symbolism The book comes at a time when suicide terrorism has been one of the most potent and effective tools for individuals and entities to achieve what they perceive as goals and shall inevitably remain a challenge for policy makers and security establishments to deal with Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
