Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources as well as the sources cited throughout and includes a revised chapter on the Old Testament canon.
