The Testimony of My Life Jesus Princess, 2023-03-31 The book is the testimony of my life where I went through depression after a heartbreak I was dating someone that I was sure that he was the will of God in my life He first expressed his love for me and after I expressed my love for him because for the first time in my life I found someone that my heart beats for When I asked him to tell our parents about our relationship he asked me to give him time We were always together and one night we went to the gym and he gave me the news that depressed me The news was that he didn't love me anymore and he was back with his ex girlfriend My family didn't know about our relationship they used to see me with him every day sure but didn't know what was going on between us When I didn't know what to do I was seeking God and after fasting got struck by a car I had a traumatic brain injury and when I felt my head open They brought me to the hospital unconsciously I spent months in a coma while I was in a coma doctors gave me a five percent chance to wake up and told my spiritual mother that I was dead I had a lot of therapy such as physical speech cognitive and occupational I had a stroke that took the right side of my body I was sent to rehabilitation from rehabilitation to nursing home from nursing home to group home and now after three years of treatment I was discharged to my family Now my family is trying to pressure me to get married because of my disability and age I don't want to go through another heartache again therefore I want to wait on the perfect will of God for my life patiently
