Texas Big Rich Exploits Eccentricities And Fabulous Fortunes Won And Lost:

Texas Big Rich Sandy Sheehy,1990 Exploits eccentricities and fabulous fortunes won and lost *The Big Rich* Bryan Burrough,2010-03-30 Full of schadenfreude and speculation and solid timely history too Kirkus Reviews This is a portrait of capitalism as white knuckle risk taking yielding fruitful discoveries for the fathers but only sterile speculation for the sons a story that resonates with today s economic upheaval Publishers Weekly What s not to enjoy about a book full of monstrous egos unimaginable sums of money and the punishment of greed and shortsightedness The Economist Phenomenal reviews and sales greeted the hardcover publication of The Big Rich New York Times bestselling author Bryan Burrough s spellbinding chronicle of Texas oil Weaving together the multigenerational sagas of the industry s four wealthiest families Burrough brings to life the men known in their day as the Big Four Roy Cullen H L Hunt Clint Murchison and Sid Richardson all swaggering Texas oil tycoons who owned sprawling ranches and mingled with presidents and Hollywood stars Seamlessly charting their collective rise and fall The Big Rich is a hugely entertaining account that only a writer with Burrough s abilities and Texas upbringing could have written

United States Entrepreneurs and the Companies They Built Wahib Nasrallah,2003-08-30 This pioneering work provides an index to over 1 700 biographies of prominent U S entrepreneurs innovators and company executives published in over 120 biographical collected works which are identified examined and indexed here These collected works cover a span of over 100 years and include men and women who shaped the history of American enterprise In the past collected works such as these have never been indexed but finally this book makes the biographies accessible to the general public Wahib Nasrallah has created the only book available today that indexes these stories of corporate success as they are documented in collected works of biography A large number of executive biographies are published in collected works that are rich with stories of American enterprise male and female entrepreneurs of many ethnic backgrounds Since these stories have never been indexed before United States Entrepreneurs and the Companies They Built An Index to Biographies and Collected Works is a central research tool in both academic and corporate worlds

George P. Mitchell Loren C. Steffy,2019-10-18 Upon George Mitchell s death in 2013 The Economist proclaimed Few businesspeople have done as much to change the world as George Mitchell a billionaire Texas oilman who defied the stereotypical swagger so identified with that industry In George P Mitchell Fracking Sustainability and an Unorthodox Quest to Save the Planet award winning author Loren C Steffy offers the first definitive biography of Mitchell placing his life and legacy in a global context from the significance of his discoveries to the lingering controversies they inspired Mitchell will forever be known as the father of fracking but he didn t invent the drilling process he perfected it and made it profitable one of many varied ventures he pursued for years Long before his company ever fracked a well he pioneered sustainable development by creating The Woodlands near Houston one of the first and most successful master planned communities Its focus on environmental protection and livability redefined the American suburb This apparent contradiction between his

energy interests and environmental pursuits which his son Todd dubbed the Mitchell Paradox was just one of many that defined Mitchell's life. Anyone who puts fuel in a tank or turns on a light switch has benefited from Mitchell's efforts. This compelling biography reveals Mitchell as a modern renaissance man who sought to make the world a better, more livable place, a man whose unbounded intellectual curiosity led him to support a wide range of interests in business, science, and philanthropy.

Gus Wortham Fran Dressman, 1994. Gus S. Wortham was a good businessman. Among other enterprises, he started a highly successful insurance company, American General, and helped to shape the economic institutions of Houston. Gus Wortham was a civic leader who worked actively in the Chamber of Commerce to influence the city's economic climate and who left the city a legacy of cultural institutions, including the Wortham Theater Center. Gus Wortham was a rancher and land developer. Land? They aren't making any more, if that's what he liked to say. So he bought it, developed it, and built a business with it. In short, he became one of the most influential men in the history of Houston. This is the story of his life, his business, his city. Company records and interviews with Wortham's surviving friends and associates combine to make it a thorough account. Mr. Wortham had an interesting philosophy about several matters in life, writes his longtime friend and business partner, Sterling C. Evans, in the Foreword. One was on dollars. With the business dollar, it was immoral not to make money, and one had to make sure to receive full value. With the pleasure dollar, if one could afford it, enjoy it and never look back. This old-school Southwestern gentleman lived a life worthy of a movie, and his company, American General, has shaped a city worthy of a television series of its own. Urban and business historians alike will find this book a fascinating study, and those who know or want to know Houston will find it an enlightening chronicle.

Inside the Spiral Suzaan Boettger, 2023-04-11. An expansive and revelatory study of Robert Smithson's life and the hidden influences on his iconic creations. This first biography of the major American artist, Robert Smithson, famous as the creator of the Spiral Jetty, deepens understanding of his art by addressing the potent forces in his life that were shrouded by his success, including his suppressed early history as a painter, his affiliation with Christianity, astrology, and alchemy, and his sexual fluidity. Integrating extensive investigation and acuity, Suzaan Boettger uncovers Smithson's story and with it symbolic meanings across the span of his painted and drawn images, sculptures, essays, and earthworks, up to the Spiral Jetty and beyond, to the circumstances leading to what became his final work, Amarillo Ramp. While Smithson is widely known for his monumental earthwork at the edge of the Great Salt Lake, *Inside the Spiral* delves into the arc of his artistic production, recognizing it as a response to his family's history of loss, which prompted his birth and shaped his strange intelligence. Smithson configured his personal conflicts within painterly depictions of Christ's passion, the rhetoric of science-fiction imagery from occult systems, and the impersonal posture of conceptual sculpture. Aiming to achieve renown, he veiled his personal passions and transmuted his professional persona, becoming an acclaimed innovator and fierce voice in the New York art scene. Featuring copious illustrations, never before published of early work that eluded Smithson's destruction, as well as photographs of Smithson and his wife, the noted sculptor Nancy Holt.

and recollections from nearly all those who knew him throughout his life Inside the Spiral offers unprecedented insight into the hidden impulses of one of modern art s most enigmatic figures With great sensitivity to the experiences of loss and existential strife that defined his distinct artistic language this biographical analysis provides an expanded view of Smithson s iconic art pilgrimage site and the experiences and works that brought him to its peculiar blood red water **Southwestern Historical Quarterly** ,1993 *Oil History* ,1995 OIL HISTORY is the definitive guide to the romance history lore of the global petroleum business The oilfield s past was wild woolly a time of greed guts glory goofups A lot has been written about those colorful days of yesteryear from the old Venango Oil Regions 1866 to the new The Prize 1991 OIL HISTORY reviews 810 titles of enormous variety Look at just the long the short of it The encyclopedic A Brief History of the Pennsylvania Oil Region 652 pages to the terse We Drilled Spindletop 37 pages Author publisher length date of publication are also provided The extensive index will help readers find titles by either author or subject No matter what your interest in the history of the worldwide petroleum business it s represented in this unique volume Published in hardcover the 6 inch by 9 inch OILFIELD HISTORY is handsomely cloth bound in royal blue with distinguished silver lettering Order from IADC Publications P O Box 4287 Houston TX 77210 4287 713 578 7171 ext 214 FAX 713 578 0589 *The Publishers Weekly* ,1990 **International Directory of Company Histories** Jay P. Texas Big Rich Exploits Eccentricities And Fabulous Fortunes Won And Lost Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Texas Big Rich Exploits Eccentricities And Fabulous Fortunes Won And Lost PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Texas Big Rich Exploits Eccentricities And Fabulous

Fortunes Won And Lost PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Texas Big Rich Exploits Eccentricities And Fabulous Fortunes Won And Lost free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
