Texas Holdem Jack D. Mormon,2012-04-10 This is the second poker book by Mormon Following a year of playing after publishing his first he feels that he has gained enough information and experience to warrant a second He is a self proclaimed lover of the game of Texas Holdem In his own words Im only sorry that I didnt begin playing Holdem until I was almost 60 I somewhat pessimistically calculate that this leaves me only 50 years or so to play and improve my game Now it may be that Holdem is played in the hereafter If it is played only in Hell Im probably in good shape If on the other hand its only played in Heaven I need to get my act together **Card Games All-in-One For Dummies** The Experts at

Dummies,2016-10-31 Play your cards right and get an ace up your sleeve Whether you re looking to tackle a Texas Hold em tournament or beat a friendly competitor at Gin Rummy Card Games All In One For Dummies helps you stack the odds in your favor to start playing and winning the world s most popular card games From Bridge and Hearts to Blackjack card games are timeless activities that offer loads of fun bringing people of all ages together to socialize and have a hand at some friendly competition But if you re ready to up the ante this all encompassing guide gives you the card playing power to apply winning strategies and tips to master your game of choice and beat your opponents Build upon and improve your card playing skills Develop a winning strategy for popular card game Find and play card games online Teach kids to play cards responsibly Whether you re playing for fun or real stakes Card Games All In One For Dummies is your one stop ace in the hole to come up trumps **Money at Work** Kevin J Delaney,2023-11-21 Financial advisors poker players hedge fund

traders fund raisers sports agents credit counselors and commissioned salespeople all deal with one central concern in their jobs money In Money at Work Kevin Delaney explores how we think about money and particularly how our jobs influence that thinking By spotlighting people for whom money is the focus of their work Delaney illuminates how the daily practices experienced in different jobs create distinct ways of thinking and talking about money and how occupations and their work cultures carry important symbolic material and practical messages about money Delaney takes us deep inside the cultures of these moneyed workers using both interviews and first hand observations of many of these occupations From hedge fund

trading rooms in New York to poker players at work in Las Vegas casinos to a Christian money retreat in a monastery in rural Pennsylvania Delaney illustrates how the underlying economic conditions of various occupations and careers produce what he calls money cultures or ways of understanding the meaning of money which in turn shape one's economic outlook Key to this is how some professionals such as debt counselors think very differently than say poker players in their regard to money Delaney argues that it is the structure of these professions themselves that in turn influences monetary attitudes

Fundamentally Money at Work shows that what people do for a living has a profound effect on how people conceive of money both at work and in their home lives making clear the connections between the economic and the social shedding light on some of our most basic values At a time when conversations about money are increasingly important Delaney shows that we do not merely learn our attitudes toward money in childhood but we also learn important money lessons from the work that we do
