**Lois K. Merry**

## **Texas Women In World War II:**

**Texas Women in World War II** Cindy Weigan, 2003-09-02 Women are all too easily forgotten when it comes to war. In this unique volume, Cindy Weigan tells the individual stories of female WWII veterans now living in Texas. These courageous women reveal their war experiences, detailing physical exams, troop train rides, and coping with the reactions of their families. They describe the trials of seeing fiancés one day and losing them the next, healing the emotional and mental as well as the physical wounds and enduring extreme conditions in service to their country. [Texas and Texans in World War II](#)

Christopher B. Bean, 2022-08-24 *Texans in World War II* offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War. This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor, from the expanding opportunities for women to the importance of oil and agriculture. *Texans in World War II* makes local the frequently studied social history of wartime, bringing it home to Texas. An eye-opening read for Texans eager to learn more about this defining era in their state's history, this book will also prove deeply informative for scholars, students, and general readers seeking detailed, definitive information about World War II and its implications for daily life, economic growth, and social and political change in the Lone Star State.

[Texas Women in World War II](#) Cindy Weigan, 2003-09-02 Tells the stories of World War II women now living in Texas

**New Jersey Women during World War II** Patricia Chappine, 2023-10-24 While World War II has long been viewed as a pivotal period that allowed women expanded opportunities in the military and the labor force, locally focused considerations have long been left out of the national narrative. *New Jersey Women during World War II: On the Home Front and Abroad* by Patricia Chappine explores the experiences that detail the wartime narrative of New Jersey women on the home front and abroad and describes the impact these women had as they pushed past gendered social boundaries and joined the war effort in numbers greater than any previous generation of Americans. Through expansive research, Chappine examines the critical role the women of New Jersey played as they stepped into newly formed military branches and entered the labor force in areas never before open to them, volunteering in staggering numbers. Focusing on the nuances of women's wartime experiences, this book blends the personal with the social, political, and economic climate of New Jersey and the

communicated aspirations, uncertainties, and fears of women during World War II to offer new insights into the role they all played. *Texas Through Women's Eyes* Judith N. McArthur, Harold L. Smith, 2010-09-01 This is social history at its very best. The wide selection of firsthand accounts found in this text draw the reader in, and most are absolutely fascinating. This volume will make a significant contribution to the field of Texas women's history, and I predict it will be the one book to which scholars and the reading public turn for information on twentieth-century Texas women. Elizabeth Hayes Turner, Professor of History, University of North Texas. Texas Women broke barriers throughout the twentieth century, winning the right to vote, expanding their access to higher education, entering new professions, participating fully in civic and political life, and planning

their families Yet these major achievements have hardly been recognized in histories of twentieth century Texas By contrast Texas Through Women s Eyes offers a fascinating overview of women s experiences and achievements in the twentieth century with an inclusive focus on rural women working class women and women of color Judith N McArthur and Harold L Smith trace the history of Texas women through four eras They discuss how women entered the public sphere to work for social reforms and the right to vote during the Progressive era 1900 1920 how they continued working for reform and social justice and for greater opportunities in education and the workforce during the Great Depression and World War II 1920 1945 how African American and Mexican American women fought for labor and civil rights while Anglo women laid the foundation for two party politics during the postwar years 1945 1965 and how second wave feminists 1965 2000 promoted diverse and sometimes competing goals including passage of the Equal Rights Amendment reproductive freedom gender equity in sports and the rise of the New Right and the Republican party The authors take particular account of the interactions between genders and the hierarchies of race and ethnicity as they synthesize information from published histories with their own original research into women s lives They also include a wealth of first person accounts women s letters memoirs and oral histories This lively combination will appeal to a wide audience

**Women in Texas History**

Angela Boswell, 2018-10-12 Winner 2019 Liz Carpenter Award sponsored by the Texas State Historical Association TSHA In recent decades a small but growing number of historians have dedicated their tireless attention to analyzing the role of women in Texas history Each contribution and there have been many represents a brick in the wall of new Texas history From early Native societies to astronauts Women in Texas History assembles those bricks into a carefully crafted structure as the first book to cover the full scope of Texas women s history By emphasizing the differences between race and ethnicity Angela Boswell uses three broad themes to tie together the narrative of women in Texas history First the physical and geographic challenges of Texas as a place significantly affected women s lives from the struggles of isolated frontier farming to the opportunities and problems of increased urbanization Second the changing landscape of legal and political power continued to shape women s lives and opportunities from the ballot box to the courthouse and beyond Finally Boswell demonstrates the powerful influence of social and cultural forces on the identity agency and everyday life of women in Texas In challenging male dominated legal and political systems Texan women shaped and were shaped by class religion community organizations literary and artistic endeavors and more Women in Texas History is the first book to narrate the entire span of Texas women s history and marks a major achievement in telling the full story of the Lone Star State Historians and general readers alike will find this book an informative and enjoyable read for anyone interested in the history of Texas or the history of women

**Texas Women** Elizabeth Hayes Turner, Stephanie Cole, Rebecca Sharpless, 2015 This is a collection of biographies and composite essays of Texas women contextualized over the course of history to include subjects that reflect the enormous racial class and religious diversity of the state Offering insights into the complex ways that Texas

position on the margins of the United States has shaped a particular kind of gendered experience there the volume also demonstrates how the larger questions in United States women s history are answered or reconceived in the state Beginning with Juliana Barr s essay which asserts that women marked the lines of dominion among Spanish and Indian nations in Texas and explodes the myth of Spanish domination in colonial Texas the essays examine the ways that women were able to use their borderland status to stretch the boundaries of their own lives Eric Walther demonstrates that the constant changing of governments in Texas Spanish Mexican Texan and U S gave slaves the opportunities to resist their oppression because of the differences in the laws of slavery under Spanish or English or American law Gabriela Gonzalez examines the activism of Jovita Idar on behalf of civil rights for Mexicans and Mexican Americans on both sides of the border Renee Laegreid argues that female rodeo contestants employed a unique regional interplay of masculine and feminine behaviors to shape their identities as cowgirls American Women During World War II Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library **Twentieth-century Texas** John Woodrow Storey,2008 A collection of fifteen essays which cover Indians Mexican Americans African Americans women religion war on the homefront music literature film art sports philanthropy education the environment and science and technology in twentieth century Texas

**Texans and War** Alexander Mendoza,Charles David Grear,2012-02-29 Beginning with tribal wars among Native Americans before Europeans settled Texas and continuing through the Civil War the soil of what would become the Lone Star State has frequently been stained by the blood of those contesting for control of its resources In subsequent years and continuing to the present its citizens have often taken up arms beyond its borders in pursuit of political values and national defense Although historians have studied the role of the state and its people in war for well over a century a wealth of topics remain that deserve greater attention Tejanos in World War II the common Texas soldier s interaction with foreign enemies the perception of Texas warriors throughout the world the role of religion among Texans who fight or contemplate fighting controversial paramilitary groups in Texas the role and effects of Texans ethnicity culture and gender during wartime to name a few In Texans at War fourteen scholars provide new studies perspectives and historiographies to extend the understanding of this important field One of the largest collections of original scholarship on this topic to date Texans and War will stimulate useful conversation and research among historians students and interested general readers In addition the

breadth and originality of its contributions provide a solid overview of emerging perspectives on the military history and historiography of Texas and the region

**Discovering Texas History** Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09

Discovering Texas History is a historiographical reference book that will be invaluable to teachers students and researchers of Texas history

Chapter authors are familiar names in Texas history circles a who's who of high profile historians

Conceived as a follow up to the award winning but increasingly dated A Guide to the History of Texas 1988

Discovering Texas History focuses on the major trends in the study of Texas history since 1990

In part one topical essays address significant historical themes from race and gender to the arts and urban history

In part two chronological essays cover the full span of Texas historiography from the Spanish era to the modern day

In each case the goal is to analyze and summarize the subjects that have captured the attention of professional historians so that Discovering Texas History will take its place as the standard work on the history of Texas history

*Beyond the Latino World War II Hero* Maggie Rivas-Rodríguez, Emilio Zamora, 2022-02-24

Maggie Rivas Rodríguez's edited volume Mexican Americans World War II brought pivotal stories from the shadows contributing to the growing acknowledgment of Mexican American patriotism as a meaningful force within the Greatest Generation

In this latest anthology Rivas Rodríguez and historian Emilio Zamora team up with scholars from various disciplines to add new insights

*Beyond the Latino World War II Hero* focuses on home front issues and government relations delving into new arenas of research and incorporating stirring oral histories

These recollections highlight realities such as post traumatic stress disorder and its effects on veterans families as well as Mexican American women of this era whose fighting spirit inspired their daughters to participate in Chicana/o activism of the 1960s

and 1970s Other topics include the importance of radio as a powerful medium during the war and postwar periods the participation of Mexican nationals in World War II and intergovernmental negotiations involving Mexico and Puerto Rico Addressing the complexity of the Latino war experience such as the tandem between the frontline and the disruption of the agricultural migrant stream on the home front the authors and contributors unite diverse perspectives to harness the rich resources of an invaluable oral history     The Men and Women in World War II from Ellis County, Texas Janna Mayfield,19??     A Companion to Women's Military History Barton Hacker,Margaret Vining,2012-08-17 This volume addresses the changing relationships between women and armed forces from antiquity to the present eight chapters review the existing literature an extended picture essay visually documents women s military work and eight chapters illustrate more restricted topics     Women Pioneers in Texas Medicine Elizabeth Silverthorne,Geneva Fulgham,1997 The pioneering figures presented here have forged new paths for women in fields ranging from nursing pharmacy public health and dentistry to general and hospital practice hospice care virology surgery and psychiatry Their stories reveal the special obstacles they faced and overcame as women practicing in a demanding traditionally all male field They also chronicle the history of medicine in the state generally since although there was discrimination and resistance to accepting them their accomplishments paralleled and in some instances led the development of medical practice and specialization Using vignettes and biographical details garnered from sparse available literature newspaper archives typescripts found in various libraries around the state and interviews Elizabeth Silverthorne and Geneva Fulgham have created profiles of women ranging from traditional roles such as native herbalists and midwives through contemporary pioneers in fields like genetics and nuclear medicine Drawing on subjects across the centuries throughout Texas geographical regions and from diverse ethnic groups they have painted rounded portraits of the women showing their educational achievements personalities commitments family lives and hobbies The stories of these pioneering women told in clear and compelling prose are fascinating and even inspiring The accomplishments of the women heighten our understanding of the ways in which women have defied stereotype Through personal persistence and dedication to their chosen fields often against great odds the women profiled here contributed to an elevated status for all women in the state     Black Women in Texas History Bruce A. Glasrud,Merline Pitre,2008 Though often consigned to the footnotes of history African American women are a significant part of the rich multiethnic heritage of Texas and the United States Until now though their story has frequently been fragmented and underappreciated Black Women in Texas History draws together a multi author narrative of the experiences and impact of black American women from the time of slavery until the recent past Each chapter written by an expert on the era provides a readable survey and overview of the lives and roles of black Texas women during that period Each provides careful documentation which along with the thorough bibliography compiled by the volume editors will provide a starting point for others wanting to build on this important topic The authors address significant questions about population

demographics employment patterns family and social dimensions legal and political rights and individual accomplishments They look not only at how African American women have been shaped by the larger culture but also at how these women have in turn affected the culture and history of Texas This work situates African American women within the context of their times and offers a due appreciation and analysis of their lives and accomplishments Black Women in Texas History is an important addition to history and sociology curriculums as well as black studies and women s studies programs It will provide for interested students scholars and general readers a comprehensive survey of the crucial role these women played in shaping the history of the Lone Star State      *Women Military Pilots of World War II* Lois K. Merry,2014-01-10 More than 2000 women in the United States Great Britain and the Soviet Union flew military airplanes in organized units during World War II yet their stories are largely unknown These pilots ferried aircraft flew targets for ground artillery practice tested airplanes and equipment and many of them flew in combat The women pilots proved that they could manage bombers and fighters as well as their male counterparts and several later remarked that the airplanes didn t care who flew them Topics covered include the training of female pilots how female flight units were developed and structured the hazards of conflict and how these women reintegrated into civilian life following the war      *Presentations of the 29th Annual SW/Texas Regional Meeting of the Popular Culture and American Culture Association* Gypsy Elaine Teague,2008-12-18 Gender is an often misunderstood subject area even within the discipline even to those who teach and write about it One of my presenters when she first approached me to present at the conference asked What does my paper really have to do with gender To me the answer was obvious everything has to do with gender Gender is everywhere from the cradle to the grave What color blanket are we given at birth What clothes are we laid out in at death We are bombarded with advertisements specifically targeted at our gender either male female or somewhere in between We are judged by our gender which is often synonymous with our sex although in many of the presentations through the years it is becoming evident that more and more people understand the difference Our clothing food entertainment and reading material are all tied to gender in one form or another Gender is like the air It is all around us seldom thought of but always present In an area that spans literature politics sex religion and personal choices it is hard to get finite and clear cut delineations The contributors are the main focus here and I have just been the ringmaster of this incredible circus of ideas Without them this could never have gone to press and it is all our hopes that you enjoy the volume and take something away from it that you did not anticipate      **Marfa and Presidio County, Texas** Cecilia Thompson,Louise S. O'Connor,2014-03-05 Authors Louise S O Connor and Cecilia Thompson present a simple encyclopedic study of the Trans Pecos area of Texas with emphasis on Presidio County VICTORIA Texas In their quest to complete their study and to share a better knowledge and understanding of a part of Texas that is still somewhat a frontier authors Louise S O Connor and Cecilia Thompson reveal the first volume of their book Marfa and Presidio County Texas A Social Economic and Cultural Study 1937 to 2008 Volume One 1937 1989 In a book that offers a closer look at the

past and the present readers will see how a place known as a tourist area and a center of contemporary art came to be It returns to the pre historic era of Far West Texas and bring readers up to the present with yearly reports on the region as well as extensive formal research and personal interviews with present day people who live in Presidio County A case study worth reading this book is an eye opener for a better understanding of how this small yet historically rich land is what it is now Packed with the economic social and cultural history of Presidio County this book gives readers both lay and the historians a clear and complete picture of the events that lead to the preservation industrialization and the improvement of one of the frontiers of the United States of America      *African American Bryan, Texas* Oswell Person PhD,2012-09-18 Bryan was incorporated in 1872 but it would take more than ten years before its African American population was offered schooling Nothing would come easy for them but they persevered through hard work ingenuity and family support The success of today s generation is a direct result of determined hardworking pioneers like Dr Samuel J Sealey Sr Bryan s baby doctor in the 1930s and 40s and Dr William A Hammond Sr who opened Bryan s first black hospital and employed many blacks through his business ventures Learn about the inspiration and guidance provided by the likes of Oliver Wayne Sadberry an outstanding community leader and principal of Fairview and Washington Elementary Dr Oswell Person shares the story of this community s achievements successes and contributions in the face of incredible odds

## **Texas Women In World War Ii Introduction**

In today's digital age, the availability of Texas Women In World War Ii books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Texas Women In World War Ii books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Texas Women In World War Ii books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Texas Women In World War Ii versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Texas Women In World War Ii books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Texas Women In World War Ii books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Texas Women In World War Ii books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Texas Women In World War Ii books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Texas Women In World War Ii books and manuals for download and embark on your journey of knowledge?

### **FAQs About Texas Women In World War Ii Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Texas Women In World War Ii is one of the best book in our library for free trial. We provide copy of Texas Women In World War Ii in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Texas Women In World War Ii. Where to download Texas Women In World War Ii online for free? Are you looking for Texas Women In World War Ii PDF? This is definitely going to save you time and cash in something you should think about.
