Speaker Jim Wright J. Brooks Flippen, 2018-04-01 The rise and fall of a Texas Democrat A definitive richly detailed biography and an engrossing history that sheds light on our own fractious times Kirkus Reviews

starred review A former Golden Gloves boxer and WWII bombardier Jim Wright entered Congress to fight a different kind of battle making his mark on virtually every major policy issue of the later twentieth century energy education taxes transportation environmental protection civil rights criminal justice and foreign relations among them He played a significant role in peace initiatives in Central America and in the Camp David Accords and was the first American politician to speak live on Soviet television A Democrat representing Texas s twelfth district Fort Worth he served in the US House of Representatives from the Eisenhower administration to the presidency of George H W Bush including twelve years as majority leader and speaker and his long congressional ascension and sudden fall in a highly partisan ethics scandal spearheaded by Newt Gingrich mirrored the evolution of Congress as an institution Speaker Jim Wright traces the congressman s long life and career in a highly readable narrative grounded in extensive interviews with Wright and access to his personal diaries A skilled connector who bridged the conservative and liberal wings of the Democratic Party while forging alliances with Republicans to pass legislation Wright ultimately fell victim to a new era of political infighting as well as to his own hubris and mistakes J Brooks Flippen shows how Wright s career shaped the political culture of Congress from its internal rules and power structure to its growing partisanship even as those new dynamics eventually contributed to his political demise To understand Jim Wright in all his complexity is to understand the story of modern American politics

Another Year Finds Me in Texas Vicki Adams Tongate, 2016-02-23 In one of the few women s diaries from Civil War era Texas a Northerner trapped in the Confederacy at the outbreak of war recounts her experience Lucy Pier Stevens a twenty one year old woman from Ohio came to visit her aunt s family near Bellville Texas on Christmas Day 1859 Little did she know how drastically her life would change on April 4 1861 when the outbreak of the Civil War made returning home impossible Stranded in enemy territory for the duration of the war how would she reconcile her Northern upbringing with the Southern sentiments surrounding her Lucy Stevens s diary offers a unique perspective on daily life at the fringes of America s bloodiest conflict An educated and keen observer Stevens took note of everything the weather illnesses food shortages parties church attendance chores schools childbirth death the family s slaves and political and military news As Stevens confided her private thoughts to her journal she revealed how her love for her Texas family and the Confederate soldiers she came to know blurred her loyalties Showing how the ties of heritage kinship friendship and community transcended the sharpest division in US history this rare diary and Vicki Adams Tongate s insightful historical commentary on it provide a trove of information on women s history Texas history and Civil War history

Resources in Women's Educational Equity , From the Sidelines to the Headlines Betsy Gerhardt Pasley, 2023-03-07 In spring 2014 Peggy Kokernot Kaplan a former Trinity University athlete and cofounder of the women s track team emailed her alma mater s athletic department asking the school to post statistics from the team s 1975 season It s no surprise that they couldn t fulfill her request for Trinity had sparse records from the 1970s not just for track and field but for most performances by female athletes before 1991 when the school

joined a NCAA Division III conference What started as a humble email request nearly a decade ago has culminated in *From the Sidelines to the Headlines The Legacy of Women's Sports at Trinity University* an expansive book aimed at filling in the gaps in coverage of half a century of women's intercollegiate sports Former Trinity athlete Betsy Gerhardt Pasley and historian Doug Brackenridge along with other members of the Trinity community have collected hundreds of long forgotten documents and conducted dozens of interviews with former students coaches and administrators to tell the fascinating multifaceted story of women's sports at this liberal arts school in San Antonio Texas While the book focuses primarily on the post Title IX years between 1972 and 1999 its scope extends to Trinity's founding in 1869 illuminating the century long evolution of women in competitive sports at Trinity and elsewhere before Title IX The story told alongside the cultural shifts that formed the social and athletic context for female athletes of the day also documents the decision Trinity and other institutions of higher learning faced after Title IX Should they adhere to a commercial model in which a focus on athletics often overshadowed academics or strive for a more balanced student athlete nonscholarship model Trinity chose the latter and has decades of national championships and academic accolades to show for it

Allied Health Education Programs in Junior and Senior Colleges, 1975 *Freedom Colonies* Thad Sitton, James H. Conrad, 2010-01-01 A history of independent African American settlements in Texas during the Jim Crow era featuring historical and contemporary photographs In the decades following the Civil War nearly a quarter of African Americans achieved a remarkable victory they got their own land While other ex slaves and many poor whites became trapped in the exploitative sharecropping system these independence seeking individuals settled on pockets of unclaimed land that had been deemed too poor for farming and turned them into successful family farms In these self sufficient rural communities often known as freedom colonies African Americans created a refuge from the discrimination and violence that routinely limited the opportunities of blacks in the Jim Crow South *Freedom Colonies* is the first book to tell the story of these independent African American settlements Thad Sitton and James Conrad focus on communities in Texas where blacks achieved a higher percentage of land ownership than in any other state of the Deep South The authors draw on a vast reservoir of ex slave narratives oral histories written memoirs and public records to describe how the freedom colonies formed and to recreate the lifeways of African Americans who made their living by farming or in skilled trades such as milling and blacksmithing They also uncover the forces that led to the decline of the communities from the 1930s onward including economic hard times and the greed of whites who found legal and illegal means of taking black owned land And they visit some of the remaining communities to discover how their independent way of life endures into the twenty first century Thad Sitton and James H Conrad have made an important contribution to African American and southern history with their study of communities fashioned by freedmen in the years after emancipation *Journal of American History* This study is a thoughtful and important addition to an understanding of rural Texas and the nature of black settlements *Journal of Southern History* **Subject Catalog** Library of Congress, 1981

Black Cowboys in the American West Bruce A. Glasrud, Michael N. Searles, 2016-09-28 Who were the black cowboys They were drovers foremen fiddlers cowpunchers cattle rustlers cooks and singers They worked as wranglers riders ropers bulldoggers and bronc busters They came from varied backgrounds some grew up in slavery while free blacks often got their start in Texas and Mexico Most who joined the long trail drives were men but black women also rode and worked on western ranches and farms The first overview of the subject in more than fifty years *Black Cowboys in the American West* surveys the life and work of these cattle drivers from the years before the Civil War through the turn of the twentieth century Including both classic previously published articles and exciting new research this collection also features select accounts of twentieth century rodeos music people and films Arranged in three sections *Cowboys on the Range* *Performing Cowboys* and *Outriders of the Black Cowboys* the thirteen chapters illuminate the great diversity of the black cowboy experience Like all ranch hands and riders African American cowboys lived hard dangerous lives But black drovers were expected to do the roughest most dangerous work and to do it without complaint They faced discrimination out west albeit less than in the South which many had left in search of autonomy and freedom As cowboys they could escape the brutal violence visited on African Americans in many southern communities and northern cities Black cowhands remain an integral part of life in the West the descendants of African Americans who ventured west and helped settle and establish black communities This long overdue examination of nineteenth and twentieth century black cowboys ensures that they and their many stories and experiences will continue to be known and told
