S MY BABY Sometimes bringing up baby can bring surprises and showers of love **Child Abduction** Robert L. Snow, 2008-09-30 While most people have heard about high profile abductions such as the Elizabeth Smart case such abductions are not isolated cases The abduction of children occurs much more often in our country than most people would suspect but because of a fault in our country s national crime reporting procedures no one knows the true number This book details the scope of the child abduction problem in the United States and its very real danger It covers the different types of abductions and discusses the psychological changes that can occur in long term abducted children that will often stop them from attempting to escape or even to seek help though good opportunities may present themselves Snow also discusses the danger to secondary victims of child abduction He devotes several chapters to what both parents and the government can do to stop many of the child abductions that now occur and for those not stopped steps parents can take that will greatly assist the authorities in quickly locating and safely rescuing an abducted child He concludes with a chapter on the psychological and emotional concerns of recovered abducted children and how families can help them re integrate themselves into a normal life Real life examples are provided in every chapter It is every parent s worst nightmare Someone has abducted their child and no one including the police has a clue where the child is But worse while parents feel certain their child is terrified and crying desperately for them they don t know if their child is being physically mistreated sexually molested or worse The uncertainty and powerlessness can drive parents of abducted children to the edge of insanity But there are measures parents and children can take to avoid being the victim of abduction There are things families can do too to apprehend offenders and bring children home even after an abduction occurs Here a retired police captain offers expert advice designed to help keep children safe and to help families deal with an abduction once it has occurred Practical advice is offered throughout to families and professionals that will help all involved handle this tense and terrifying experience Featuring such prominent cases as the abductions of the Groene children in Idaho in 2005 Christopher Michael Barrios in Georgia in 2007 Zina Linnick in Washington in 2007 Mychael Darthard Dawodu in Texas in 2007 Crystal Chavez in Texas in 2002 Elizabeth Smart in Utah in 2002 the Montano children in Florida in 2003 the Walker children in Indiana in 2007 the Nunez children in California in 2002 Emily Johnson in Indiana in 2007 Ludwig Koons in New York in 1993 the Beveridge children to the United States from Australia in 2000 Erica Pratt in Pennsylvania in 2002 Clay Moore in Florida in 2007 the Hari children in Illinois in 2005 Samantha Runnion in California in 2002 Ben Ownby in Missouri in 2007 Shawn Hornbeck in Missouri in 2002 Steven Stayner in California in 1972 Natascha Kampusch in Austria in 1998 Jessica Lunsford in Florida in 2005 Carlie Brucia in Florida in 2004 Amber Hagerman in Texas in 1996 the Nguyen children in Canada in 2006 and Cecilie Finkelstein from Sweden to the United States in 1975 **Internet Joke Book - Volume Two** Keith Evans, 2001-01-30 This book Internet Joke Book comes to you packed with fresh jokes bizarre stories and the wittiest of satires gathered from throughout the United States and abroad collected and compiled for your enjoyment Beyond the books jacket cover you will discovery pages of humorous and

sidesplitting and gut wrenching witticisms The jokes within being of age old and brand new is all hilarious and the ones we've heard before still laughable This book was not tailor made for younger readers and various contents may be inappropriate After all any book of this nature should rest with the judgement of the parent or guardian I myself being a single parent would not recommend the contents of this book be disclosed to any teenager under the age of sixteen In any event there may be parents who chose to allow children as young as fourteen or fifteen to take in the contents Again this is not recommended by the author I can only hope that all my readers savor and receive as much enjoyment from the book as we did while assembling it We my daughter and I are now working on the third book of the series Internet Joke Book Volume Three
