A Man Absolutely Sure of Himself David B. Gracy, 2019-11-07 This is the first full biography of George Washington Littlefield the Texas and New Mexico rancher Austin banker and businessman University of Texas regent and philanthropist In just two decades Littlefield's business acumen vaulted him from debt to inclusion in 1892 on the first list of American millionaires A Man Absolutely Sure of Himself is a grand retelling of the life of a highly successful entrepreneur and Austin civic leader whose work affected spheres from ranching and banking to civic development and academia Littlefield's cattle operations during the open range and early ranching periods spanned a domain in New Mexico and Texas larger than the states of Delaware and Connecticut combined In a unique contribution to ranching art Littlefield commissioned murals and bronze doors depicting scenes from his ranches to decorate Austin's American National Bank which he led for its first twenty eight years Gracy provides new information about Littlefield's term as University of Texas regent and the necessity of choosing between friendship and duty during the university's confrontation with Gov James E Ferguson Proud of his Civil War service in Terry's Texas Rangers Littlefield funded one of the nation's first centers for Southern history He also underwrote the school's purchase of its first rare book library and its training programs preparing troops for World War I's new combat roles Littlefield played a central role in advancing Austin from a cattleman's town into the business center it wanted to become His Littlefield Building the tallest office building between New Orleans and San Francisco when it was built served for a generation as the prime location of the town's business community Author David B Gracy II a relative of Littlefield grounds his vivid prose in a lifetime of research into archival and family sources His comprehensive biography illuminates an exceptional figure whose life singularly illustrates the evolution of Texas from Southern to Western to American

Ten Deadly Texans Dan Anderson, Laurence Yadon, 2012-11-05 A lighthearted history of ten of Texas's most notorious outlaws including Clyde Barrow and a bank robber dressed as Santa Claus The Wild Westerners were a tough breed They started young and tended to die young grow wilder or fizzle into oblivion Those outlaws that had the most feuds gunfights and robberies within the state lines are profiled here along with their associates enemies and accomplices A rough chronological order of events spanning from pre Civil War to 1935 tracks significant people and events With so few lawmen available to police the state troublesome youths quickly developed into heinous individuals John Wesley Hardin killed a fellow classmate in a one room schoolhouse and eight year old James Miller was arrested for murdering his own grandparents Beginnings and endings for each individual varied While Sam Bass and Bonnie Parker were cut down in their twenties Dock Newton didn't rob his last train until age seventy seven Other members of the Barrow Gang

lived into their fifties and sixties after transforming themselves from dangerous criminals to ordinary citizens Texans are often described as being larger than life Their lives were legendary their demeanor solid their illegal activities dramatic and varied from beginning to end The same lighthearted take on Western history that permeated Dan Anderson and Laurence J Yadon s previous works resonates in their latest popular history True stories tall tales and numerous anecdotes comprise this book of ten of the deadliest outlaws to cross the Texas line Praise for *Ten Deadly Texans* Picking the top ten of virtually anything is difficult if not impossible but Yadon and Anderson have presented a strong argument that this grouping belongs at the top of any list of deadly fighters In their own way each one chose a deadly path filled with violence bloodshed high drama and excitement Chuck Parsons author of *John B Armstrong Texas Ranger and Pioneer Ranchman* A well researched and highly readable account of the Lone Star State s meanest men and women Mike Cox author of *The Texas Rangers Wearing the Cinco Peso 1821-1900* Yadon and Anderson have done their homework to separate the truth from the legend because not only are they good historians they know that the real story is quite often better than the legend *Ten Deadly Texans* takes you from the Civil War to the Great Depression from cow ponies and six guns to Ford V 8s and automatic weapons through the real lives of some of Texas s most notorious sons James R Knight author of *Bonnie and Clyde A Twenty First Century Update* *Texas Through Time* Walter L. Buenger, Robert A. Calvert, 1991 Historical interpretations shape a culture s understanding of itself its challenges its options New conditions within society along with new information and methods available to historians should call forth new interpretations of the past Thus history changes as time passes Yet Texas historians have had trouble discarding old understandings The contributors to this volume of Texas historiography explore this key question Why have historians not subjected the myths of the state to rigorous ongoing examination Why does the macho myth of Anglo Texas still reign This book is the first scholarly attempt to place the intellectual development of Texas history within the framework of current trends in the study of U S history Twelve eminent scholars have contributed evaluations of the historical literature in their respective fields of expertise from Texas Mexican culture and African American roles to agrarianism progressivism and the New Deal from perspectives on women to the urban experience of Sunbelt boom and near bust The cumulative effort describes and analyzes what Texas history is and how it got that way These stimulating critiques challenge the field to produce a new synthesis that moves away from the provincialism that has so often limited the intellectual directions of the state s historians and the actions of its political leaders **Southwestern Historical Quarterly** ,1996 *The North Carolina Historical Review* ,1985 **The First Century, 1885-1985** T. Harry Gattson, Texas Bankers Association, 1984 A narrative history fully illustrated of the Texas Bankers Association and banking in the Lone Star State published as a part of the centennial of the TX Bankers Assoc *Texas Almanac and State Industrial Guide* ,1991 **The Eastern Underwriter** ,1929 *Time of the Rangers* Mike Cox, 2025-09-23 The second installment of a no holds barred look at the history of the famed Texas Rangers from western author Mike Cox Following up on his magnificent history

of the 19th century Texas Rangers Mike Cox now takes us from 1900 through the present From horseback to helicopters from the frontier cattle days through the crime ridden boom or bust oil field era from Prohibition to World War II espionage to the violent ethnic turbulence of the 50s and 60s which sometimes led to demands that the Texas Rangers be disbanded Cox takes readers through the modern history of the famed Texas lawmen Cox s position as a spokesperson for the Texas department of Public Safety allowed him to comb the archives and conduct extensive personal interviews to give us this remarkable account of how a tough group of horse borne lawmen too prone to hand out roadside justice critics complained to one of the world s premier investigative agencies respected and admired worldwide At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Journal of the American Bankers Association,1918 *Bankers Magazine* ,1924 **Quarterly Journal** United States. Office of the Comptroller of the Currency,1990 *History of Texas* Buckley B. Paddock,1922 **Bankers Monthly** ,1920 **Host Bibliographic Record for Boundwith Item Barcode 30112041878379 and Others** ,1908 *TWENTY-FIRST CENTURY'S FUEL SUFFICIENCY ROADMAP* STEVE ESOMBA, Dr.,2012-06-06 We badly need new sources of clean energy to generate electricity heat and power our industries homes and workplaces Up to now we have relied on and used only fossil fuels to power our industrial and domestic activities The byproducts of fossil fuels include irreversible pollution and contamination of our Earth climate change global warming and increase in pathogenic and medication resistant diseases Exhaustible fossil fuels are expensive to produce and distribute and not everybody can afford them Why not switch to natural non polluting inexpensive inexhaustible fuels such as solar wind water etc fuels This is the timely message contained in TWENTY FIRST CENTURY S FUEL SUFFICIENCY ROADMAP You can make this message realisable Go on reading Thanks
