Texas New Mexico The Compromise Of 1850:

Texas, New Mexico, and the Compromise of 1850 Mark Joseph Stegmaier, 2012 Originally published Kent Ohio Kent State Press c1996 With new pref **The ^ARise and Fall of the American Whig Party** Michael F. Holt, 2003-05-01 Here Michael F Holt gives us the only comprehensive history of the Whigs ever written He offers a panoramic account of the tumultuous antebellum period a time when a flurry of parties and larger than life politicians Andrew Jackson John C Calhoun Martin Van Buren and Henry Clay struggled for control as the U S inched towards secession It was an era when Americans were passionately involved in politics when local concerns drove national policy and when momentous political events like the Annexation of Texas and the Kansas Nebraska Act rocked the country Amid this contentious political activity the Whig Party continuously strove to unite North and South emerging as the nation s last great hope to prevent secession **New Mexico** Calvin A. Roberts, Susan A. Roberts, 2006-04-16 New Mexico is a single volume presentation of the fascinating succession of events and characters that make up the state s past The Encyclopedia of the Mexican-American War Spencer C. Tucker, 2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War **Borderlands of Slavery** William S. Kiser, 2017-04-05 It is often taken as a simple truth that the Civil War and the Thirteenth Amendment to the Constitution ended slavery in the United States In the Southwest however two coercive labor systems debt peonage in which a debtor negotiated a relationship of servitude often lifelong to a creditor and Indian captivity not only outlived the Civil War but prompted a new struggle to define freedom and bondage in the United States In Borderlands of Slavery William S Kiser presents a comprehensive history of debt peonage and Indian captivity in the territory of New Mexico after the Civil War It begins in the early 1700s with the development of Indian slavery through slave raiding and fictive kinship By the early 1800s debt peonage had emerged as a secondary form of coerced servitude in the Southwest augmenting Indian slavery to meet increasing demand for labor While indigenous captivity has received considerable scholarly attention the widespread practice of debt peonage has been largely ignored Kiser makes the case that

these two intertwined systems were of not just regional but also national importance and must be understood within the context of antebellum slavery the Civil War emancipation and Reconstruction Kiser argues that the struggle over Indian captivity and debt peonage in the Southwest helped both to broaden the public understanding of forced servitude in post Civil War America and to expand political and judicial philosophy regarding free labor in the reunified republic Borderlands of Slavery emphasizes the lasting legacies of captivity and peonage in Southwestern culture and society as well as in the coercive African American labor regimes in the Jim Crow South that persevered into the early twentieth century *Soldiers in the Southwest Borderlands, 1848-1886* Janne Lahti, 2017-04-13 Most military biographies focus on officers many of whom left diaries or wrote letters throughout their lives and careers This collection offers new perspectives by focusing on the lives of enlisted soldiers from a variety of cultural and racial backgrounds Comprised of ten biographies Soldiers in the Southwest Borderlands showcases the scholarship of experts who have mined military records descendants recollections genealogical sources and even folklore to tell common soldiers stories The essays examine enlisted soldiers cross cultural interactions and dynamic situational identities They illuminate the intersections of class culture and race in the nineteenth century Southwest The men who served under U S or Mexican flags and on the payrolls of the federal government or as state or territorial volunteers represented most of the major ethnicities in the West Hispanics African Americans Indians American born Anglos and recent European immigrants and many moved fluidly among various social and ethnic groups For example though usually described as an Apache scout Mickey Free was born to Mexican parents raised by an American stepfather adopted by an Apache father given an Irish name and was ultimately categorized by federal authorities as an Irish Mexican White Mountain Apache George Goldsby a former slave of mixed ancestry served as a white soldier in the Union army during the Civil War and then served twelve years as a Buffalo Soldier in the all black Tenth U S Cavalry He also claimed some American Indian ancestry and was rumored to have crossed the Mexican border to fight alongside Pancho Villa What motivated these soldiers Some were patriots and adventurers Others were destitute and had few other options Enlisted men received little professional training and possibilities for advancement were few Many of these men witnessed underwent or inflicted extreme violence some of it personal and much of it related to excruciating military campaigns Spotlighting ordinary men who usually appear on the margins of history the biographical essays collected here tell the stories of soldiers in the complex world of the Southwest after the U S Mexican War *Cyclopædia of Political Science, Political Economy, and of the Political History of the United States* John Joseph Lalor, 1881 *Sanctity of National Pledges* Joseph Ripley Chandler, 1854

Cyclopædia of Political Science, Political Economy, and of the Political History of the United States, by the Best American and European Writers John Joseph Lalor, 1899 *Cyclopaedia of Political Science* John Joseph Lalor (d. 1899, ed), 1888 **The Far Southwest, 1846-1912** Howard Roberts Lamar, 2000 Traces the history of New Mexico Colorado Utah and Arizona from 1846 to 1912 **Landmark Legislation 1774-2012** Stephen W. Stathis, 2014-01-02 The

Second Edition of this renowned treasure trove of information about the most important laws and treaties enacted by the U S Congress now deepens its historical coverage and examines an entire decade of new legislation Landmark Legislation 1774 2012 includes additional acts and treaties chosen for their historical significance or their precedential importance for later areas of major federal legislative activity in the over 200 years since the convocation of the Continental Congress Brand new chapters expand coverage to include the last five numbered Congresses 10 years of activity from 2003 2012 which has seen landmark legislation in the areas of health insurance and health care reform financial regulatory reform fiscal stimulus and the Temporary Asset Relief Program federal support for stem cell research reform of federal financial support for public schools and higher education and much more Features Benefits Each chapter covers one of the numbered Congresses with a historical essay followed by the major acts of that Congress arranged in chronological order of passage with each act summarized A Finder s Guide summarizes all of the acts and treaties into approximately 40 separate topical policy areas The work s extensive bibliography has been expanded and updated This one volume resource is a must have for any public or academic library especially those with strong American history or political science collections Landmark Legislation 1774-2022 Stephen W. Stathis, 2024-03-15 This comprehensive up to date guide covers important laws and treaties enacted by the U S Congress This edition expands coverage to include the last five Congresses 2013 2022 which have seen landmark legislation across a broad spectrum of issues including infrastructure child welfare policy climate change conservation and public lands the COVID pandemic criminal justice cybersecurity semiconductors disaster assistance gun safety veterans health care and more **The History of Texas** Robert A. Calvert, Arnoldo De Leon, Gregg Cantrell, 2020-03-10 The most comprehensive best illustrated survey of the Lone Star State the new updated edition of the classic text The History of Texas offers a sweeping exploration of the Lone Star State covering its history from the pre Columbian period to the era of Spanish control to nineteenth century watershed events through the 1900s and into the new millennium This engaging student friendly textbook looks at how people of diverse politics identity class ethnicity and race shaped the state s past and continue to influence its present Recent knowledge on the political social and cultural history of Texas provides insights on the celebrated figures unsung heroes and ordinary people of the state s past The sixth edition of this classic text has been revised and updated to reflect the latest scholarship in all fields of Texas history among them New Indian History and cultural and gender studies The text offers fresh perspectives on Texas history including discussions of the Progressive Era the Great Depression the Second World War and post war modernization and the state s transition during the 1960s and into the 1980s Revised chapters provide wide ranging coverage of Texas in the late 20th and early 21st centuries including recent statewide and national elections and political debates This textbook Connects events in post World War II Texas to the larger U S historical narrative Offers substantial coverage of events occurring from 1900 to 2018 Uses a chronological approach to divide chapters into easily identifiable eras Includes engaging illustrations maps and tables an appendix and inclusive lists of

recommended readings Features online resources for students and instructors including a test bank maps presentation slides and more Effectively organized to better meet the needs of instructors The History of Texas is the ideal resource for undergraduate and graduate courses in Texas history at colleges and universities across both the state and the nation

Speech of Mr. Everett, of Massachusetts, Delivered in the Senate of the United States, Feb. 8, 1854, on the Nebraska and Kansas Territorial Bill Edward Everett,1854 **Texas** A. Ray Stephens,2014-10-22 For twenty years the Historical Atlas of Texas stood as a trusted resource for students and aficionados of the state Now this key reference has been thoroughly updated and expanded and even rechristened Texas A Historical Atlas more accurately reflects the Lone Star State at the dawn of the twenty first century Its 86 entries feature 175 newly designed maps more than twice the number in the original volume illustrating the most significant aspects of the state s history geography and current affairs The heart of the book is its wealth of historical information Sections devoted to indigenous peoples of Texas and its exploration and settlement offer more than 45 entries with visual depictions of everything from the routes of Spanish explorers to empresario grants to cattle trails In another 31 articles coverage of modern and contemporary Texas takes in hurricanes and highways power plants and population trends Practically everything about this atlas is new All of the essays have been updated to reflect recent scholarship while more than 30 appear for the first time addressing such subjects as the Texas Declaration of Independence early roads slavery the Civil War and Reconstruction Texas Oklahoma boundary disputes and the tideland oil controversy A dozen new entries for Contemporary Texas alone chart aspects of industry agriculture and minority demographics Nearly all of the expanded essays are accompanied by multiple maps everyone in full color The most comprehensive state of the art work of its kind Texas A Historical Atlas is more than just a reference It is a striking visual introduction to the Lone Star State **Captives and Cousins** James F. Brooks,2011-04-25 This sweeping richly evocative study examines the origins and legacies of a flourishing captive exchange economy within and among native American and Euramerican communities throughout the Southwest Borderlands from the Spanish colonial era to the end of the nineteenth century Indigenous and colonial traditions of capture servitude and kinship met and meshed in the borderlands forming a slave system in which victims symbolized social wealth performed services for their masters and produced material goods under the threat of violence Slave and livestock raiding and trading among Apaches Comanches Kiowas Navajos Utes and Spaniards provided labor resources redistributed wealth and fostered kin connections that integrated disparate and antagonistic groups even as these practices renewed cycles of violence and warfare Always attentive to the corrosive effects of the slave trade on Indian and colonial societies the book also explores slavery s centrality in intercultural trade alliances and communities of interest among groups often antagonistic to Spanish Mexican and American modernizing strategies The extension of the moral and military campaigns of the American Civil War to the Southwest in a regional war against slavery brought differing forms of social stability but cost local communities much of their economic vitality and cultural flexibility

An Exemplary Whig David M. Gold, 2012-07-06 Historians have paid surprisingly little attention to state level political leaders and judges Edward Kent 1802-77 was both. He served three terms as a state legislator, two as mayor of Bangor, two as governor, and two as a judge of the state supreme court. He represented Maine in the negotiations that resolved the long running northeastern border dispute between the United States and Great Britain and served for four years as the American consul in Rio de Janeiro. The foremost Whig in Maine state politics and later a Republican judge, Kent articulated classic Whig political views and carried them forward into his Whig Republican jurisprudence. In examining Kent's career as Maine's quintessential Whig, *An Exemplary Whig* reveals his characteristically conservative Whig outlook, including an aversion toward disorder and a deep respect for law, for existing institutions, and for the wisdom of experience. Kent brought his conservative disposition into the Republican Party. He had no use for radical abolitionism, preferring moderation and compromise to measures that endangered social order or the integrity of the Union. Kent saw the slave power, not abolitionism, as the disrupter of the Union, and he urged the fusion of all antislavery elements into a new Republican party. In 1859, Maine's Republican governor appointed Kent to the state supreme court. During his fourteen year tenure, Kent adopted a Whiggish jurisprudence: pragmatic and commonsensical, and displaying a reverence for the common law and a distrust of theoretic speculation. After his retirement, he chaired a constitutional revision commission, admonishing his fellow commissioners to bear in mind the practical wisdom that kept dangerous innovation in check. As a politician during the Jacksonian era, Kent exemplified Whig leadership at the local and state levels. In his jurisprudence, he carried the Whig persuasion into the Republican ascendancy and the beginnings of the Gilded Age.

Texas Rupert N. Richardson, Cary D. Wintz, Adrian Anderson, Ernest Wallace, 2016-05-23 Written in a narrative style, this comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics. From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty-first century, this text successfully considers each era equally in terms of space and emphasis.

The Constitution in Congress David P. Currie, 2007-12-01 This acclaimed series serves as a biography of the U.S. Constitution, offering an indispensable survey of the congressional history behind its development. In a rare examination of the role that both the legislative and executive branches have played in the development of constitutional interpretation, *The Constitution in Congress* shows how the actions and proceedings of these branches reveal perhaps even more about constitutional disputes than Supreme Court decisions of the time. The centerpiece for the fourth volume in this series is the great debate over slavery and how this divisive issue led the country into the maelstrom of the Civil War. From the Jacksonian revolution of 1829 to the secession of Southern states from the Union, legal scholar David P. Currie provides an unrivaled analysis of the significant constitutional events: the Wilmot Proviso, the Compromise of 1850, the Kansas-Nebraska Act, the Lincoln-Douglas Debates, and Bleeding Kansas, that led up to the war. Exploring how slavery was addressed in presidential speeches and debated in Congress, Currie shows how the Southern

Democrats dangerously diminished federal authority and expanded states rights threatening the nation s very survival Like its predecessors this fourth volume of The Constitution in Congress will be an invaluable reference for legal scholars and constitutional historians alike
